TITLE

All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All applicable terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami-Dade County Procurement Management website by clicking on the below link:

SECTION 2
SPECIAL CONDITIONS

PRINTING OF SINGLE PART AND CARBONLESS FANAPART FORMS

2.1 PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of single part and multi part carbonless fanapart printed forms in conjunction with the County's needs on an as needed when needed basis.

2.2 TERM OF CONTRACT: FIVE (5) YEARS

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's ISD/Procurement Management Services, and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of the contract term.

Prior to completion of each one (1) year period during the contract term, the County will consider adjustment to prices based on the Manufacturers Price Increase (Manufacturers Invoice Indications Price Increase) to be supplied upon request on a year by year basis only. It is the vendor's responsibility to request any pricing adjustment under this provision.

2.3 OPTION TO RENEW FOR FIVE (5) YEAR(S) (With Price Adjustment:

The initial contract prices resultant from this solicitation shall prevail for a five (5) year period from the contract's initial effective date. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional five (5) year(s) period. Prior to completion of the exercised contract term, the County may consider an adjustment to price based on changes in the following pricing index: Producer Price Index (PPI) for commodity code 09-37 commercial printing as published by the U.S. Department of Labor Bureau of Labor Statistics, Washington D.C. 20212.

It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's request for adjustment should be submitted 90 days prior to expiration of the then current contract term. The vendor adjustment request should not be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered.

The County reserves the right to negotiate lower pricing for the additional term(s) based on market research information or other factors that influence price. The County reserves the right to apply any reduction in pricing for the additional term(s) based on the downward movement of the applicable index.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.
SECTION 2
SPECIAL CONDITIONS

PRINTING OF SINGLE PART AND CARBONLESS FANAPART FORMS

Should the vendor decline the County's right to exercise the option period, the County may consider the vendor in default which decision may affect that vendor's eligibility for future contracts.

NOTE: IF MULTIPLE VENDORS ARE INVOLVED UNDER THE GIVEN CONTRACT, ANY OPTIONS TO RENEW WILL BE RESTRICTED TO THE SPECIFIC ITEMS OF WORK INITIALLY AWARDED TO ANY SPECIFIC VENDOR.

2.4 METHOD OF AWARD: TO THE THREE (3) LOWEST PRICED VENDORS IN THE AGGREGATE (EXCLUSIVE OF THE OPTIONS)

Award of this contract will be made to the three (3) responsive, responsible vendors who submit an offer on all items listed in the solicitation and whose offer represents the lowest price when all items are added in the aggregate. While the method of award prescribes the method for determining the lowest responsive, responsible vendor, the County will award this contract to the designated lowest vendor as the primary vendor and will award this contract to the designated second lowest vendor as the secondary vendor respectively. If the County exercises this right, the primary vendor shall have the primary responsibility to initially perform the service or deliver the goods identified in this contract. If the primary vendor fails to perform it may be terminated for default and the County shall have the option to seek the identified goods or services from the secondary vendor. During the term of the contract, the County may also make award to the third lowest vendor as tertiary if the primary and secondary vendors do not perform.

Award to multiple vendors is made for the convenience of the County and does not exempt the primary vendor from fulfilling its contractual obligations. Failure of any vendor to perform in accordance with the terms and conditions of the contract may result in the vendor being deemed in breach of contract. The County may terminate the contract for default and charge the vendor re-procurement costs, if applicable.

2.5 PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT:

If the vendor is awarded a contract under this solicitation, the prices proposed by the vendor shall remain fixed and firm during the term of contract, except for price adjustments as allowed in Paragraph 2.2.

2.6 METHOD OF PAYMENT: INVOICES FOR COMPLETED PURCHASES

The vendor(s) shall submit an invoice(s) to the County user department(s) after purchase has been completed, whether the specific item(s) were picked up by authorized County personnel or delivered to the site by the vendor. In addition to the general invoice requirements set forth below, the invoices shall reference the corresponding delivery ticket number or packing slip number that was signed by an authorized representative of the County user department at the time the items were delivered and accepted. Submittal of these periodic invoices shall not exceed thirty (30) calendar days from the delivery of the items. Under no circumstances shall the invoices be submitted to the County in advance of the delivery and acceptance of the items.

The vendor shall make deliveries within fifteen (15) calendar days after the date of the order. All deliveries shall be made in accordance with good commercial practice and all required delivery timeframes shall be adhered to by the vendor(s); except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the vendor. In these cases, the vendor shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.
SECTION 2
SPECIAL CONDITIONS

PRINTING OF SINGLE PART AND CARBONLESS FANAPART FORMS

Should the vendor(s) to whom the contract(s) is awarded fail to deliver in the number of
days stated above, the County reserves the right to cancel the contract on a default basis
after any back order period that has been specified in this contract has lapsed. If the
contract is so terminated, it is hereby understood and agreed that the County has the
authority to purchase the goods elsewhere and to charge the incumbent vendor with any re-
procurement costs. If the vendor fails to honor these re-procurement costs, the County may
terminate the contract for default.

Certain County employees may be authorized in writing to pick-up materials under this
contract. Vendors shall require presentation of this written authorization. The vendor shall
maintain a copy of the authorization. If the vendor is in doubt about any aspect of material
pick-up, vendor shall contact the appropriate user department to confirm the authorization.

2.9 BACK ORDERS MUST BE FILLED WITHIN FIVE (5) CALENDAR DAYS

If the vendor cannot deliver an ordered item in accordance with the scheduled delivery date
due to a current existing backorder of that item with the vendor's manufacturer or distributor;
the vendor shall insure that such back orders are filled within five (5) calendar days from the
initial scheduled delivery date for the item. The vendor shall not invoice the County for back
ordered items until such back orders are delivered and accepted by the County's authorized
representative. It is understood and agreed that the County may, at its discretion, verbally
cancel back orders after the grace period identified in this paragraph has lapsed, seek the
items from another vendor, and charge the incumbent vendor under this contract for any
directly associated re-procurement costs. If the vendor fails to honor these re-procurement
costs, the County may terminate the contract for default.

2.10 ENVIRONMENTALLY ACCEPTABLE PACKAGING

Effective June 16, 1992, all contracts in excess of ten thousand ($10,000) dollars will be
affected by Resolution Number R738-92 amending Miami-Dade County Administrative
Order 3-2 (relating to the procurement of goods and services).

As a waste management alternative, and as an additional means of reducing the volume
and toxicity of waste and by-products entering Florida's solid waste stream, Miami-Dade
County has instituted the following policy with regard to source reduction.

In order to discourage excessive packaging of a product solely for marketing purposes and
to encourage packaging for purposes of ensuring durability, re-usability and recyclability.
No goods shall be purchased if the goods constitute less than 90 percent (by volume) of the
item being purchased or if the goods contains more than 10 percent package and packing
material (by volume). No packaging shall be purchased which is not environmentally
acceptable packaging.

For purposes of meeting the requirements of this resolution, "Environmentally Acceptable"
shall be defined as; any item that is returnable for reuse or recycling, or which is recyclable.

In order to insure compliance with this resolution, vendors shall indicate in the space
provided on the Bid/Proposal Submission Form or elsewhere as required by this solicitation,
the method to be used for returning packaging materials to the distributor in conjunction with
this solicitation and/or by completing the General Services Certification of Recycled Product
PRINTING OF SINGLE PART AND CARBONLESS FANAPART FORMS

Content Form indicating the ability of the materials to be recycled through existing recycling collection programs.

Appeals for waiver of these requirements may be made in writing to the County Manager through the Director of Procurement Management. No waiver shall be effective unless approved by a majority vote of the Board of County Commissioners. Offers failing to provide this information may result in being declared non-responsive; however the vendor shall be given the opportunity to provide the information during the offer evaluation period. At such time, the vendor shall be given fifteen (15) calendar days to submit this information.

Vendors wishing to obtain a copy of the complete resolution should contact The Clerk of the Board at 305-375-5126.

2.11 LABOR, MATERIALS, AND EQUIPMENT SHALL BE SUPPLIED BY THE VENDOR

Unless otherwise provided in Section 3 (entitled "Technical Specifications"), of this solicitation the vendor shall furnish all labor, material and equipment necessary for satisfactory contract performance. When not specifically identified in the technical specifications, such materials and equipment shall be of a suitable type and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval of the County's Project Manager.

2.12 LOCAL OFFICE SHALL BE AVAILABLE

The vendor shall maintain an office within the geographic boundaries of Dade or Broward Counties, Florida. This office shall be staffed by a competent company representative who can be contacted during normal working hours and who is authorized to discuss matters pertaining to the contract.

2.13 OVER-RUNS OR UNDER-RUNS:

Over-runs or under-runs shall constitute an acceptable delivery provided that such over-runs or under-runs shall not exceed ten percent (10%) of the quantity ordered. Payment for these acceptable over-runs or under-runs shall be charged or credited to the County proportionately.

2.14 PURCHASE OF OTHER ITEMS NOT LISTED WITHIN THIS SOLICITATION BASED ON PRICE QUOTES:

While the County has listed all major items within this solicitation which are utilized by County departments in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a County representative will contact the primary vendor to obtain a price quote for the similar items. If there are multiple vendors on the contract, the County representative may also obtain price quotes from these vendors. The County reserves the right to award these similar items to the primary contract vendor, another contract vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.
2.15 RECYCLED MATERIALS REQUIRED

This solicitation calls for the purchase of items that specify and require a stated degree of recycled material content. Vendors are required to submit, with their initial offer, a written certification attesting that the products or items offered by the vendor contain the minimum percentage of post-consumer recovered material as defined by the United States Environmental Protection Agency (EPA), or, for commodities not so covered, the minimum percentage of post-consumer recovered materials established by other cognizant regulatory agencies.

Recycling definitions:

For purposes of this solicitation, the following definitions shall apply:

a. "Recovered Materials" shall be defined as any waste material or by-products that have been recovered or diverted from solid waste.

b. "Recycled Product" shall be defined as any product which is in whole or in part composed of recovered materials.

c. "Recyclable Product" shall be defined as the ability of a product and its packaging to be reused, reconditioned for use, or recycled through existing recycling collection programs.

d. "Waste Reducing Products" shall be defined as any product which will result in less waste generated due to its use rather than another product designed to serve the same function with an greater waste generation rate. This shall include, but not be limited to those products that can be reused, refilled or have a longer life expectancy and contain a lesser amount of toxic constituents.

2.16 SAMPLES MAY BE REQUIRED DURING EVALUATION

After the County opens the Bid Proposals, the bidders may be required to submit a sample for the goods to be supplied for evaluation by, and at no cost to the County. If samples are required, the County will notify the bidder of such in writing and will specify the deadline for submission of the samples. Each individual sample shall be clearly labeled with the bidder's name, bid number, bid title, manufacturer's name and brand name, and style number if applicable. If the bidder fails to submit the samples, properly labeled, within the specified date stipulated in the notice, the County shall not consider the bidder's proposal for that item(s); provided however, that in the event of a group or aggregate award, the bidder's proposal will not be eligible for that group or in the aggregate as applicable. All samples shall become the property of Miami-Dade County.

The County reserves the right to perform its own testing procedures or to send any and all samples any certifiable laboratory for analysis. Any costs for testing shall be borne by bidder. On the basis of this testing and analysis, the County shall be sole judge of the acceptability of the sample in conformance with the bid specifications and its decision shall be final. Any sample submitted shall create an express warranty that the whole of the goods and/or services to be provided by the bidder during the contract period shall conform to the sample submitted. The bidder shall be required to provide adequate restitution to the County, in the manner prescribed by the County, if this warranty is violated during the term of the contract.
