All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All applicable terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami-Dade County Procurement Management website by clicking on the below link:

2.1 **PURPOSE: TO ESTABLISH A CONTRACT FOR THE COUNTY:**

The purpose of this solicitation is to establish a contract for the purchase of Miami-Dade Police Department (MDPD) uniforms in conjunction with the County’s needs.

2.2 **TERM OF CONTRACT**

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County’s Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for twelve (12) months and upon completion of the expressed and/or implied warranty periods.

2.3 **OPTION TO RENEW FOR ONE (1) ADDITIONAL YEAR (With Price Adjustment):**

The initial contract prices resultant from this solicitation shall prevail for a one (1) year period from the contract’s initial effective date. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional one (1) year period. Prior to completion of each exercised contract term, the County may consider an adjustment to price based on: Manufacturer’s documented price adjustments, not to exceed five percent (5%). Acceptable documentation is manufacturer’s notice to its distributor(s) of an across the board price adjustment or copy(s) of manufacturer’s invoice to the successful bidder for first delivery of MDPD uniforms and manufacturer’s invoice to the same successful bidder for delivery of MDPD uniforms at least six months after the first invoice date.

It is the vendor’s responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor’s request for adjustment should be submitted 90 days prior to expiration of the then current contract term. The vendor adjustment request should not be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered.

The County reserves the right to negotiate lower pricing for the additional term based on market research information or other factors that influence price. The County reserves the right to apply any reduction in pricing for the additional term based on the downward movement of the applicable index.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

Should the vendor decline the County’s right to exercise the option period, the County may consider the vendor in default which decision may effect that vendor’s eligibility for future contracts.
2.4 **METHOD OF AWARD: To Multiple Bidders By Item**

Awards will be made to the two (2) lowest priced responsive, responsible bidders on an item-by-item basis. An Item is defined as all associated and noted sizes of the same particular article of clothing (i.e. Sizes S-XL and 2XL, 3XL..etc.). If a required size is not supplied by the manufacturer being proposed this should be noted in the bid document as Not Available. The availability or non-availability of a requested size may affect the award of the item. The County’s decision shall be final in these cases. While the awards will be made to multiple bidders for each item to assure availability, all awarded bidders have the responsibility to perform in accordance with the contract terms. The lowest priced bidder for each item shall be the primary bidder and shall have the initial responsibility to perform under this contract. In the event the primary bidder defaults, the secondary bidder shall be responsible for performing the contractual obligations of this contract. Award to multiple bidders is made for the convenience of the County and does not exempt any awarded bidder from fulfilling contractual obligations. Failure to perform as noted may result in the bidder(s) being deemed in breach of contract. The County may terminate the contract for default and charge the bidder re-procurement cost, if applicable.

2.5 **“EQUAL” PRODUCT CANNOT BE CONSIDERED: MATCHING EXISTING UNIFORMS**

Items labeled "No Substitute" are the only products that will be accepted under this solicitation because these items must match existing uniforms previously purchased and issued by the County.

2.5.1 **“EQUAL” PRODUCT CAN BE CONSIDERED UPON RECEIPT OF SPECIFIED DATA**

Certain items allow for ‘equal’ products to be suggested these items are noted in the technical specifications and in Section 4. This solicitation’s technical specifications reflect the minimum standards the County will accept. A manufacturer’s name, and style number may be included in these specifications, this information is being provided for the sole purpose of establishing the level of quality, color, fabric, standard of performance, and design and are in no way intended to prohibit the offer of another manufacturer’s item. A product ‘equal’ to the manufacturer/style given in the specifications may be considered by the County, the item shall be equal in quality, appearance, and standards of performance to the item specified in the solicitation.

The County retains the right to request samples of items bid for its evaluation or testing at that time the bidder may provide a Letter of Conformance which identifies any aspects of the sample which do not conform to the specifications.

The County shall be sole the judge of equality, based on compliance with the technical specifications, the Letter of Conformance and any other information available and the best interests of the County, its decision in this regard shall be final.

All deliveries shall be made in accordance with good commercial practice and all required delivery timeframes shall be adhered to by the successful bidder; except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the vendor. In these cases, the vendor shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

Should the bidder(s) to whom the contract(s) is awarded fail to deliver in the number of days stated above, the County reserves the right to cancel the contract on a default basis after any back order period that has been specified in this contract has lapsed. If the contract is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent vendor with any re-procurement costs. If the vendor fails to honor these re-procurement costs, the County may terminate the contract for default.

While the County has listed all major items within this solicitation which are utilized by the Miami-Dade Police Department (MDPD) in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a representative of the Internal Services Department (ISD) will contact the primary vendor to obtain a price quote for the similar items. If there are multiple vendors on the contract, the County representative may also obtain price quotes from these vendors.
