All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All applicable terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami-Dade County Procurement Management website by clicking on the below link:

2.1 PURPOSE: TO ESTABLISH A CONTRACT FOR THE COUNTY:

The purpose of this solicitation is to establish a contract for laundry services of County owned uniforms.

2.2 TERM OF CONTRACT: SIX YEARS

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for seventy two (72) months and upon completion of the expressed and/or implied warranty periods.

2.3 METHOD OF AWARD: To Lowest Priced Bidder by Group

The County will then select the bidder for award for each group by totaling the unit prices for all of the items within each group, or if so structured, by totaling the extended pricing for each item within each group. If a bidder fails to submit an offer for all items within the group, its offer for that specific group may be rejected.

Group 1 minimum requirements
To be considered a responsible bidder for group 1 the bidder should have:

   a. Own or lease a minimum of one van type (or larger) vehicle used for the pick-up and delivery of laundry.
   b. Permitted as a commercial laundry or dry cleaner.

   d. Own or lease a minimum of two walk in type trucks.

2.4 PRICES

The initial contract prices resulting from this solicitation shall prevail for a twelve (12) month period from the contract's initial effective date. The County may consider price adjustments which would take effect on the anniversary of the initial effective date. The pricing adjustment may be upward or downward but shall not be in excess of the Consumer Price Index, for all urban consumers, all items in the Miami – Ft. Lauderdale area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212.
It is the awarded bidder’s responsibility to request any pricing adjustment under this provision. For any adjustment to be effective it must be submitted ninety (90) days prior to the expiration of the then current anniversary date/year. Any adjustment received with less than ninety days in the then current contract may not be considered. If no adjustment request is received from the awarded bidder, the County will assume that the awarded bidder has agreed that the next year term will be without any upward price adjustment. The County reserves the right to negotiate lower pricing for the additional term(s) based on market research information or other factors that influence price. The County reserves the right to apply any reduction in pricing for the additional term(s) based on the downward movement of the applicable index.

It shall be further understood that the County reserves the right to reject any price adjustments submitted by the bidder, and/or to terminate the contract with the bidder based on such price adjustments.

2.5 CONTACT PERSON:

The County reserves the right to award these additional like services to the successful bidder(s) under this contract, or another commercial source, based on the lowest price quoted.

The pick-up/delivery form at a minimum must show the number and type of garment turned in by each employee, any damage found, and the number and type of garment returned by the bidder each week. In addition, a system must be established where the County employee may note any minor repair needed to the garment.

Lost or damaged items will be reimbursed by the contractor at one hundred and fifty percent (150%) of the replacement cost to the County.
