PROCUREMENT MANAGEMENT DIVISION
SECTION 1
GENERAL TERMS AND CONDITIONS

VIDEO AND MISCELLANOUS SERVICES FOR LEACHATE PIPE SYSTEMS

All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All applicable general terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami-Dade County Procurement Management website by clicking on the below link:

2.1 PURPOSE:

The purpose of this solicitation is to establish a contract for the purchase of video inspection and other related services of leachate pipe systems in conjunction with the County's needs on as needed basis.

2.2 TERM OF CONTRACT:

This contract shall be for sixty (60) months and commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of the sixty (60) months contract term.

2.3 METHOD OF AWARD:

Award of this contract will be made to two (2) responsive, responsible bidders who meet the minimum requirements listed below and submit an offer on all items listed in the solicitation and whose offer represents the lowest price when all items are added in the aggregate. If a bidder fails to submit an offer on all items, its overall offer will be rejected. The primary bidder shall have the initial responsibility of performing the service identified throughout this solicitation. If the primary bidder fails to perform, it may be terminated for default in accordance with paragraph 1.25 of the general terms and conditions of Miami-Dade County Procurement Contracts; the County shall have the option to seek the identified services from the secondary bidder.

Award to multiple bidders is made for the convenience of the County and does not exempt the primary bidder from fulfilling its contractual obligations.

2.3.1 Minimum Requirements:

a. Bidders must be regularly engaged in the business of providing Video inspection services to leachate pipe systems. Two (2) references shall be listed in the bidder's submittal. The references listed must be from customers that are currently receiving or have received leachate pipe system video inspection services from the bidder in the past two (2) years. The references must include the company's name, and the name, title, address, telephone number and email of the contact person who can verify that the bidder has successfully provided the services that the bidder is offering under this solicitation. Project start date, project end date and work description must be provided. These references shall ascertain to the County's satisfaction that the bidder has sufficient experience and expertise in the industry.

b. In accordance with Section 3, paragraph 3.3.1 the cameras the vendor utilizes for the jetting and video inspection of leachate lines must be certified by the manufacturer as explosion proof. Manufacturer's documentation of this "explosion proof" must be provided with the bid proposal.

All bidders are required to submit with their bid all the specified information/documents as proof of compliance to the requirement above however, Miami-Dade County may, at its sole discretion, allow the bidders to complete or supplement the qualification requirements
SECTION 2
SPECIAL CONDITIONS

information/documents during the bid evaluation period. Failure to provide proof of compliance to the requirement, as specified by the County, may result in the bidder not being recommended for award. The County reserves the right to verify the information submitted by the bidder and to obtain and evaluate additional information, as it deems necessary to ascertain the bidders' conformance to the requirement.

2.4 PRICES

The initial contract prices resultant from this solicitation shall prevail for a one (1) year period from the contract's initial effective date. The County may consider an adjustment after the first year, to be effective each anniversary date of the contract. The pricing adjustment shall not be in excess of the increase reflected on the latest Consumer Price Index (CPI) for All Urban Consumers, All Items, Miami and Ft. Lauderdale Area. It is the successful bidder's responsibility to request any pricing adjustment under this provision. For any adjustment to be effective it must be submitted ninety (90) days prior to the expiration of the then current anniversary date/year. Any adjustment received after ninety (90) days from the expiration of the then current date/year may not be considered. The County reserves the right to reject any price adjustments submitted by the successful bidder. If no adjustment request is received, the County will assume that the successful bidder has agreed that the next year term will be without any price adjustment.

It shall be further understood that the County reserves the right to reject any price adjustments submitted by the bidder, and/or to terminate the contract with the bidder based on such price adjustments.

Should the relevant pricing index report a decline in the inflation rate, the County shall have the right to adjust prices downward to reflect the index change. The downward adjustment shall not be in excess of the relevant pricing index change.

2.5 WALK-THRU TOUR (RECOMMENDED)

Prior to submitting its offer it is advisable that prospective bidders visit the sites of the proposed work and become familiar with any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. The bidder is also advised to examine carefully any drawings and specifications and to become thoroughly aware regarding any and all conditions and requirements that may in any manner affect the work to be performed under the contract. No additional allowances will be made because of lack of knowledge of these conditions.

A walk-thru tour will be held on, ___________________________ at, 10:00 AM, address:

2.7 QUESTION DEADLINE

Questions pertaining to this solicitation must be received no later than __________. Questions should specifically reference the section of the solicitation to which the question pertains.

2.8 PENALTIES FOR INCOMPLETE SERVICES

Failure to complete the services in accordance with the specifications and to the satisfaction of the County, including submission of the items specified in Section 3, paragraph 3.4.4 within the time stated, shall cause the awarded bidder to be subject to penalties charged by the County for failure to comply with the Florida Department of Environmental Protection (FDEP) requirements (FAC 62-701.510). As compensation due the County for costs incurred by the County due to such non-completion of the work, the County shall have the right to deduct said penalties from any amount due, or that may become due to the awarded bidder under this agreement, or to invoice the awarded bidder for such penalties if the costs incurred exceed the amount due to the awarded bidder.

2.9 COMPLIANCE WITH FEDERAL STANDARDS

All services to be purchased under this contract shall be in accordance with all governmental standards, to include, but not limited to, those issued by the Occupational Safety and Health Administration (OSHA).

2.10 SERVICES AND FACILITIES MAY BE ADDED OR DELETED

It is hereby agreed and understood that similar or additional services may be added to this contract at the County’s option. It is also agreed and understood that the County may add or delete facilities to this contract at the County’s option. Bidder(s) under this contract shall be invited to submit price quotes for these additional services and/or facilities. If these quotes are determined to be fair and reasonable, then the additional work will be awarded to the current contract bidder(s) that offers the lowest acceptable pricing. The County may determine to obtain price quotes for the additional services from other bidders in the event that fair and reasonable pricing is not obtained from the current contract bidders, or for other reasons at the County’s discretion.
VIDEO AND MISCELLANEOUS SERVICES FOR LEACHATE PIPE SYSTEMS

3.1 SCOPE

The successful bidder shall provide video inspection services of the landfill leachate transmission and under drain piping at various Miami-Dade County landfills: the Resources Recovery Facility (RRF), the North Dade Landfill (NDL), and the South Dade Landfill (SDL).

3.2 DEFINITIONS:

Cells - Specially built areas for the receipt of waste that meet all the environmental and engineering requirements.

Header - An access point for a pipe.

3.3 SITES DESCRIPTION:

3.3.1 Resources Recovery Facility (RRF) located at 6990 N.W. 97 Avenue

This mono-fill landfill covers approximately 80 acres; 26.5 acres have reached their designated elevation and are not actively receiving waste and are situated in the northwest corner of the site. Twenty (20) acres in the southwest corner (Cells 17 & 18) are also closed; cell 19 is operating.

The leachate collection system consist of a variety of pipe types including corrugated metal pipe (CMP), high density polyethylene (HDPE) pipe, ductile iron pipe (DIP), and polyvinylchloride (PVC) pipe. Some piping lines may have undergone replacement form CMP/PVC to HDPE. The eastern transmission laterals are 8" 12" diameter HDPE (MH 8 to MH15) others are either PVC or CMP.

The southern lateral (MH1A7D) is 8" 12" HDPE and PVC. Under drains in Cells 17 and 18 are accessed from the east by manhole and from the west by clean outports. All under drains and headers are not shown on the sketch provided as part of this solicitation.

Estimated Headers (RRF): The longest length line segment is +/-750' with access at both ends. The under drains longest length line segment is +/-1000' with access from both ends.

3.3.2 North Dade Landfill (NDL) located at 21400 N.W. 47 Avenue

The NDL covers approximately 220 acres. Video inspection work will be performed for the east cell only, which is approximately 110 acres. All under drain and transmission piping are 8" – 12" HDPE. The east cell is currently operational. Access is from the east via manholes only.

Estimated Headers: The header’s longest length line segment is +/-875’ with access from both ends. The under drain’s longest length line segment is +/-2000’ with access one end.
3.3.3 South Dade Landfill (SDL) located at 24100 S.W. 97th Avenue

The developed portion of the SDL covers approximately 160 acres. Roughly one hundred ten (110) acres are closed and occupy the east portion of the site (cells 1, 2 & 3) and fifty (50) acres are currently in operation (Cell 4). In addition +/-50' acres will be constructed and are awaiting operation (Cell 5).

3.4 JETTING AND VIDEO INSPECTION

3.4.1 The successful bidder shall supply all equipment, supplies (including water) and logistics required to perform the jetting and video inspection of leachate lines services. Camera equipment, camera crawler/carrier and other related equipment which are to be used in the potentially methane rich atmospheres are to be certified by the equipment manufacturer as explosion proof. Documentation of this "explosion proof" manufacturer certification shall be provided with the bid proposal. All Equipment to be used for this application must conform to Occupational Safety & Health Administration (OSHA) regulations.

3.4.2 A "Notice to Proceed" will be issued for each facility on as needed basis. Unless otherwise specified, the entire facility will be inspected. The awarded bidder shall clear all televised lines of all obstructions, blockages, or sediments through the use of high pressure water jetting.

3.4.3 Following the jetting service, the awarded bidder shall perform video inspection and taping of the interior of all piping systems which shall include but not be limited to joints, bends, valves and manholes. Confined space entry (manholes) and a methane rich atmosphere in the piping systems are anticipated.

3.4.4 The successful bidder shall deliver to Public Works Waste Management within thirty (30) days of completing services at any site, four (4) copies of the following items:
VIDEO AND MISCELLANEOUS SERVICES FOR LEACHATE PIPE SYSTEMS

1. Digital video disk (DVD) of recorded video inspection with index of the location and time on video of pipe damage and other areas of interest.

2. A written report noting damaged areas of pipe as recorded on the digital video disk. The location and time on digital video disc of damaged areas of pipe shall be stated in the report. Other information such as date, time, and length of pipeline inspected, shall be noted in the report as well.

3. Schematic drawing identifying the location of noted damage.

3.4.5 Since the condition of piping in the landfill’s under-drain is unknown, the County makes no guarantee stated or implied as to a minimum amount of feet to be video inspected at each site. In addition, the County shall assume no liability due to obstructions, pipe failure or accumulated water resulting in damage, submerged, lost, or stuck camera(s) or associated equipment. The leachate collection and under drain systems consists of a variety of pipe types and information to be used as a guide and is to be verified by the awarded bidder.

3.5 WATER BLASTING SERVICES:

The successful bidder shall provide high pressure water-blasting services on as needed basis for scale buildup removal per lineal foot. Prices for services shall include all labor, material, equipment and fees necessary for service performance. The estimated amount of linear feet for water blasting purposes per site is as follows:

<table>

</tr>
</tbody>
</table>

3.6 VIDEO INSPECTION AND SCANNING:

The successful bidder shall provide video inspections/scanning to verify/confirm scale buildup or blockage removal per linear foot.

3.7 VACTOR SERVICE:

The successful bidder shall provide vactor service for removal of scale/solids from manholes/piping and for water supply per hour. Vactor service will be for water supply not associated with typical video inspections.

By signing this Bid Submittal Form the Bidder certifies that it satisfies all legal requirements (as an entity) to do business with the County, including all Conflict of Interest and Code of Ethics provisions in Section 2-11 of the Miami-Dade County Code. Any County employee or member of his or her immediate family seeking to contract with the County shall seek a conflict of interest opinion from the Miami-Dade County Ethics Commission prior to submittal of a Bid response or application of any type to contract with the County by the employee or his or her immediate family and file a copy of that request for opinion and any opinion or waiver from the Board of County Commissioners with the Clerk of the Board. The affected employee shall file with the Clerk of the Board a statement in a form satisfactory to the Clerk disclosing the employee’s interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract at the same time as or before submitting a Bid, response, or application of any type to contract with the County. Also a copy of the request for a conflict of interest opinion from the Ethics Commission and any corresponding opinion, or any waiver issued by the Board of County Commissioners, must be submitted with the response to the solicitation.

In accordance with Sec. 2-11.1(s) of the County Code as amended, prior to conducting any lobbying regarding this solicitation, the Bidder must file the appropriate form with the Clerk of the Board stating that a particular lobbyist is authorized to represent the Bidder. Failure to file the appropriate form in relation to each solicitation may be considered as evidence that the Bidder is not a responsible contractor.

The Bidder confirms that this Bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a Bid for the same goods and/or services and in all respects is without collusion, and that the Bidder will accept any resultant award. Further, the undersigned acknowledges that award of a contract is contingent upon vendor registration. Failure to register as a vendor within the specified time may result in your firm not being considered for award.

Pursuant to Miami-Dade County Ordinance 94-34, any individual, corporation, partnership, joint venture or other legal entity having an officer, director, or executive who has been convicted of a felony during the past ten (10) years shall disclose this information at the time of bid or proposal submission.

☐ Place a check mark here only if bidder has such conviction to disclose.

By executing this proposal through a duly authorized representative, the proposer certifies that the proposer is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, as those terms are used and defined in sections 287.135 and 215.473 of the Florida Statutes. In the event that the proposer is unable to provide such certification but still seeks to be considered for award of this solicitation, the proposer shall execute the proposal through a duly authorized representative and shall also initial this space: _______. In such event, the proposer shall furnish together with its proposal a duly executed written explanation of the facts supporting any exception to the requirement for certification that it claims under Section 287.135 of the Florida Statutes. The proposer agrees to cooperate fully with the County in any investigation undertaken by the County to determine whether the claimed exception would be applicable. The County shall have the right to terminate any contract resulting from this solicitation for default if the proposer is found to have submitted a false certification or to have been placed on the Scrutinized Companies for Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

LOCAL PREFERENCE CERTIFICATION: For the purpose of this certification, a "local business" is a business located within the limits of Miami-Dade County (or Broward County in accordance with the Interlocal Agreement between the two counties) that conforms with the provisions of Section 1.10 of the General Terms and Conditions of this solicitation and contributes to the economic development of the community in a verifiable and measurable way. This may include, but not be limited to, the retention and expansion of employment opportunities and the support and increase to the County’s tax base.

☐ Place a check mark here only if affirming bidder meets requirements for Local Preference. Failure to complete this certification at this time (by checking the box above) may render the vendor ineligible for Local Preference.

LOCALLY-HEADQUARTERED BUSINESS CERTIFICATION: For the purpose of this certification, a "locally-headquartered business" is a Local Business whose "principal place of business" is in Miami-Dade County, as defined in Section 1.10 of the General Terms and Conditions of this solicitation.
☐ Place a check mark here only if affirming bidder meets requirements for the Locally-Headquartered Preference (LHP). Failure to complete this certification at this time (by checking the box above) may render the vendor ineligible for the LHP. The address of the locally-headquartered office is ____________________________.

LOCAL CERTIFIED SERVICE-DISABLED VETERAN BUSINESS ENTERPRISE CERTIFICATION: A Local Certified Service-Disabled Veteran Business Enterprise is a firm that is (a) a local business pursuant to Section 2-8.5 of the Code of Miami-Dade County and (b) prior to bid submission is certified by the State of Florida Department of Management Services as a service-disabled veteran business enterprise pursuant to Section 295.167 of the Florida Statutes.

☐ Place a check mark here only if affirming bidder is a Local Certified Service-Disabled Veteran Business Enterprise. A copy of the certification must be submitted with this proposal.

COUNTY USER ACCESS PROGRAM (UAP): Joint purchase and entity revenue sharing program
For the County’s information, the bidder is requested to indicate, at ‘A’ and ‘B’ below, its general interest in participating in the Joint Purchase Program of the County User Access Program (UAP) described in Section 1.35 of this contract solicitation, if that section is present in this solicitation document. Bidder participation in the Joint Purchase portion of the UAP is voluntary, and the bidder’s expression of general interest at ‘A’ and ‘B’ below is for the County’s information only and shall not be binding on the bidder.

A. If awarded this County contract, would you be interested in participating in the Joint Purchase portion of the UAP with respect to other governmental, quasi-governmental or not-for-profit entities located within the geographical boundaries of Miami-Dade County?

SUBCONTRACTOR/SUPPLIER LISTING
(Miami-Dade County Code Sections 2-8.1, 2-8.8 and 10-34)

In accordance with Sections 2-8.1, 2-8.8 and 10-34 of the Miami-Dade County Code, this form must be submitted as a condition of award by all bidders/respondents on County contracts for purchase of supplies, materials or services, including professional services which involve expenditures of $100,000 or more, and all bidders/respondents on County or Public Health Trust construction contracts which involve expenditures of $100,000 or more. The bidder/respondent who is awarded this bid/grow shall not change or substitute first tier subcontractors or direct suppliers or the portions of the contract work to be performed or materials to be supplied from those identified, except upon written approval of the County. The bidder/respondent should enter the word "NONE" under the appropriate heading of this form if no subcontractors or suppliers will be used on the contract.

In accordance with Ordinance No. 99-98, an entity contracting with the County shall report the race, gender and ethnic origin of the owners and employees of all first tier subcontractors/suppliers. In the event that the successful bidder demonstrates to the County prior to award that the race, gender, and ethnic information is not reasonably available at that time, the successful bidder shall be obligated to exercise diligent efforts to obtain that information and provide the same to the County not later than ten (10) days after it becomes available and, in any event, prior to final payment under the contract.
