All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County’s competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All general terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami-Dade County Procurement Management website by clicking on the below link:

2.1 PURPOSE

The purpose of this solicitation is to establish a contract to purchase document shredding services for various County facilities.

2.2 TERM OF CONTRACT

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of a sixty (60) month term.

2.3 METHOD OF AWARD

Award of this contract will be made to the two (2) lowest priced responsive, responsible bidders, when all solicited items are added in the aggregate, for the collection, shredding, and removal of documents at various county facilities, who meet the minimum qualifications set forth below. If a bidder fails to submit an offer for all items, its overall offer will be deemed non-responsive.

Minimum Qualifications:

A. Bidder must be able to shred a minimum volume of 200 boxes per day. A box is estimated to contain one cubic foot of records. The bidder shall submit, as proof thereof, an inventory that includes the make, model and shredding capacity of their equipment.

B. Bidder shall maintain a fully equipped office with phone, facsimile, and provide an e-mail address of staff accessible Monday thru Friday, during working hours from 8:00 AM to 5:00 PM, to respond to the County’s requests.

C. Bidder shall provide the following information from at least three (3) references of commercial accounts or governmental agencies to which the bidder has successfully performed the same services indicated in section 3.1 for a minimum of one (1) year within the previous two (2) years:

   1. Company Name
   2. Address
   3. Date and description of service performed.

The County intends to award this contract in its entirety to the designated lowest bidder as the primary and to the designated second lowest bidder as the secondary bidder. While the award will be made to multiple bidders to assure availability, the primary bidder will be given the first opportunity to perform under this contract. If the primary bidder fails to perform, it may be terminated for default in accordance with paragraph 1.25 of the general terms and conditions of Miami-Dade County Procurement Contracts; the County shall have the option to seek the identified services from the secondary bidder.
SECTION 2
SPECIAL CONDITIONS

DOCUMENT SHREDDING SERVICES

All bidders are required to submit with their bid submission all the specified information as proof of compliance with the minimum qualification requirements.

2.4 PRICES

The initial contract prices resulting from this solicitation’s awarded bidders shall prevail for a one (1) year period from the contract’s initial effective date. Prior to or upon completion of that initial term, the County may consider an adjustment to price based on changes in the latest Consumer Price Index for Miami/Fort Lauderdale Area, Wage Earners & Clerical Workers, and All Items on an annual basis.

It is the bidder’s responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any annual period, the bidder’s request for adjustment should be submitted ninety (90) days prior to the expiration of the then current annual period. The bidder’s adjustment request should not be in excess of the relevant pricing index change. If no adjustment request is received from the bidder, the County will assume that the bidder has agreed that the next annual period will be without pricing adjustment. Any adjustment request received after the commencement of a new annual period may not be considered.

The County reserves the right to negotiate lower pricing for each annual period based on market research information or other factors that influence price. The County reserves the right to apply any reduction in pricing for each annual period based on the downward movement of the applicable index.

The County reserves the right to reject any price adjustments submitted by the bidder.

In accordance with Ordinance No. 97-04, a bidder/proposer who is awarded this bid/contract shall not change or substitute first tier subcontractors or direct suppliers or the portions of the contract work to be performed or materials to be supplied from those identified, except upon written approval of the County. This form, or a comparable listing meeting this requirement, MUST be completed, signed and submitted with the bid/proposal, even if the bidder/proposer will not utilize subcontractors or suppliers on the contract. The bidder or proposer should enter the word “NONE” under the appropriate heading of this form if no subcontractors or suppliers will be used on the contract.

In accordance with Ordinance No. 11-90, an entity contracting with the County shall report the race, gender and ethnic origin of the owners and employees of all first tier subcontractors. The number of males and females and the number by race/ethnicity for owners and employees must be provided in the chart below. In the event that the successful bidder demonstrates to the County prior to award that the race, gender, and ethnic information is not reasonably available at that time, the successful bidder shall be obligated to exercise diligent efforts to obtain that information and provide the same to the County not later than ten (10) days after it becomes available and, in any event, prior to final payment under the contract.

The above requirements apply to bidders/proposers of County contracts for purchases of supplies, materials or services, including professional services, which involve expenditures of $100,000 or more, and all bidders/proposers on County or Public Health Trust construction contracts which involve expenditures of $100,000 or more.
