WASD shall be the sole judge of the acceptable method and their decision shall be final. Contractor will provide the means and methods of dewatering, removal, and disposal with their bid submission. Size of vessel, access to perform jobs, and cubic yards of material will need to be verified by the bidder.

3.3.1 MATERIAL AND METHOD OF REMOVAL

The material is not regulated as a hazardous waste, but it is considered "contaminated" and as such, its disposal is restricted by various regulations.
- c. After removal and disposal of the bulk of the material, the successful bidder shall be required to clean the vessel's walls, columns and floor of any remaining material by thoroughly pressure washing those surfaces, using a pressure of at least 2,500 psi, and removing the resultant water mixture. The bidder shall use squeegees or similar devices to rid the tank of any standing water.
- d. When provided by the RFQ, Bidder will be permitted to discharge liquid back into the plant gravity sewer manholes adjacent to the tank being cleaned. An estimated volume of flow must be presented with the RFQ submission and approved by WASD.

- d. Successful bidder's personnel will be in the vicinity of raw sewage. The successful bidder shall check with the Miami Dade County Health Department, and based on their recommendation, have its personnel properly immunized against disease.
- e. The contractor will be required to submit a safety manual; outlining the work sequence for review and approval by WASD.

The successful bidder shall employ a competent superintendent who shall be in attendance at the project site during the progress of the work. The superintendent shall be the primary representative for the bidder and all communications given to and all decisions made by the superintendent shall be binding to the bidder. No additional cost will be paid by the County.

In the event that a bidder fails to complete the services within the times specified in the quote after receiving the Notice to Proceed, and such failure is not the result of force majeure or acts of God, liquidated damages shall be imposed on the bidder in the amount specified in the RFQ and will be deducted from the original bid.
