Justification/Input Document for "Bid Waiver"

Title: Gang Summit Strategy Implementation Countywide

It is the policy of Miami-Dade County, to consistently purchase goods and services using full and open competition. The citizens of Miami-Dade County are best served when we make sound business decisions based on competitive bids or proposals. Early acquisition planning that includes DPM can help to avoid delays and facilitate effective market research. However, there may be instances when other than full and open competition may be justified. When a user department(s) determines that other than full and open competition is necessary or in the best interest of the County, appropriate justification for that course of action must be submitted to the CA Office for approval and execution in order to waive the competitive bid/proposal process.

Please provide the information requested below to support the need and feasibility for waiving the competitive bid/proposal process.

Acquire an individual to continue the implementation of the formal recommendations that were derived from the Post Summit evaluation of the 2008 Tri-County and Community Summit on Gang Prevention throughout the County. (See attached proposal).

In order to maintain the continuity and momentum of the community in addressing gang activity and youth violence, it is requested that there be a waiver of formal bidding for the expansion of the Post Summit Implementation Plan countywide. UMMAH Futures International, LLC was selected as the successful proposer for an Event Planner to develop a conceptual design, provide project implementation, resource development and procurement, database management, event promotion, community engagement and post event evaluation of a Tri-County Community Summit on Gang Prevention. One of the specific deliverables for the event was the provision of a post summit evaluation with recommendations to include a summary report and detailed plan on how to move forward from the summit. Rev. 12/11/02
The summary report and plan was completed by Wayne Rawlins, representing UMMAH Futures International, LLC. The report and plan was reviewed by County staff and a decision made to move forth with implementation of the plan as outlined in the report. As the sole author of the report, it is believed that Wayne Rawlins is the one uniquely qualified to oversee this task. Given his role as the planner of the Tri-County Summit he has unparalleled intimate knowledge of the mission and intent of the summit participants and the impetus behind their ideas and recommendations for resolving the community's escalating issues of youth violence and gang activity. In addition to possessing this knowledge and understanding, Mr. Rawlins is a recognized expert on the subject matter of gangs, having multiple years of experience working in this area with local, state and federal personnel. Mr. Rawlins is an active participant in the Tri-County Task Force, convened to address gang related activities in Miami-Dade, Broward and Palm Beach Counties and he has established relationships that afford him the privilege of ready access to law enforcement, the Office of the U.S. Attorney and local community based organizations providing services to youth and others involved in gang associated behaviors. The resources that Mr. Rawlins brings to the table in addressing this issue cannot be replicated by any other individual. Further, given his continued involvement in the Summit and compilation of the report, his continued involvement in the next phase provides for the most efficient and effective use of resources and time. Lastly, Mr. Rollins has a demonstrated commitment to improving the lives of our youth and will bring forth the level of dedication necessary to seeing the plan through to implementation. This Bid Waiver is a continuation of the three previous contracts (EPP-RFP#841, BW9095-0/11, and BW9095-0/13) with UMMAH Futures INT LLC to continue the expansion of the formal recommendations derived from the Post Summit evaluation of the 2008 Tri-County Community Summit on Gang Prevention countywide and to continue the development of the Miami Dade Anti-Gang strategy.

Morris Copeland  
Director  
Juvenile Services Department  
Miami-Dade County  
275 NW 2nd Street  
Miami, Florida 33128

Dear Director Copeland,

We, Ummah Futures International LLC, humbly submit this revised quote for countywide implementation and further development of the Miami-Dade Anti-Gang Strategy. The plan seeks to identify, optimize, and leverage existing federal, state, and local resources to support enhanced public safety through the reduction of gang activity.

Background

The Miami-Dade Anti-Gang Strategy was born out of the 2008 South Florida Anti-Gang Summit where 175 national gang reduction experts, Federal, State and local criminal-justice personnel, socio-economic service providers, faith- and community- based organizations, and former gang leaders convened to focus on core gang issues and outline strategies to address those issues. The two-day summit was designed to build the capacity of attendees on day one for the strategic planning that followed on day two. The summit’s design proved to be fruitful as the goals and objectives that emerged were rooted in effective evidenced-based practices.

As a follow up to the summit, on July 21, 2009 the Miami-Dade County Board of County Commissioners passed a resolution, sponsored by District 1 Commissioner Barbara J. Jordan, directing the Mayor or his designee to implement the strategies and recommendations, where possible, from the 2008 South Florida Anti-Gang Summit. In order to accomplish this mandate, the County, through a sole source contract, procured the services of Ummah Futures International LLC to create a plan and move forward with implementation.

On February 28, 2011 the inaugural meeting of the Miami-Dade Anti-Gang Coalition was held at the United States Attorney’s Office. Invitees included 90 of Miami-Dade County’s leading policy makers, criminal justice executives, and directors from community- and faith- based...
organizations. The Coalition, co-chaired by coalition sponsor Miami-Dade County District 1 Commissioner Barbara J. Jordan, U.S. Attorney Wifredo Ferrer, State Attorney Katherine Fernandez Rundle, and former Miami-Dade Mayor Carlos Alvarez, set the precedence for collective efficacy that was realized later. At the meeting, the Miami-Dade County Anti-Gang Strategy was introduced and implementation began the next day. The pilot target area was unincorporated Brownsville/Liberty City but special requests brought the strategy to Miami Gardens, Overtown, and Model City. The Miami-Dade Anti-Gang Strategy is the most significant collaborative effort to date that counters the emerging gang epidemic.

The one-year expansion of the strategy into Miami Gardens and Opa-Locka began on October 12, 2012. There has been a sharp decline in homicides in Miami Gardens since the introduction of the Miami-Dade Anti-Gang Strategy there. Requests were received from police departments to bring the strategy to Homestead/Florida City, Perrine/Goulds, Liberty City/Model City, Coconut Grove, South Miami Heights, and Overtown as a result of our efforts in District 1. The leadership provided by coalition sponsor Miami-Dade County Commissioner Barbara J. Jordan, United State’s Attorney’s Office, State Attorney’s Office, and Miami-Dade County gives the strategy the power to leverage and optimize existing resources to achieve collective efficacy.

The scope of services below reflects a countywide expansion of the Miami-Dade Anti-Gang Strategy.

The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees and agents of the County.
