SECTION 2
SPECIAL CONDITIONS

DISHWASHING COMPOUND AND RELATED ITEMS

2.1 PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of dishwashing compounds to be used with Stero Flight Type 3 Tank Tray Washing Machines and/or manual dish washing components, and related items in conjunction with the County’s needs on as needed when needed basis.

2.2 TERM OF CONTRACT FIVE YEARS

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Department of Internal Services, Procurement Management Division and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of the contract term.

2.3 OPTION TO RENEW

Prior to, or upon completion of, the initial contract term of five (5) years, the County shall have the option to renew this contract for an additional five (5) year period.

The initial contract prices resultant from this solicitation shall prevail for a one (1) year period from the contract’s initial effective date. Prior to completion of each one year period of the contract, the County may consider an adjustment to price effective the next contract year based on changes in the following pricing index: Consumer Price Index (CPI) for All Urban Consumer, Other Good and Services in the Miami/Ft. Lauderdale area.

It is the vendor’s responsibility to request any pricing adjustment under this provision. The vendor’s request for adjustment must be submitted 90 days prior to expiration of the then current contract year.

The vendor adjustment request cannot be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed to maintain the then current pricing. Any adjustment request received after the annual contract anniversary date will only be considered for the following contract year.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments.

SECTION 2
SPECIAL CONDITIONS

DISHWASHING COMPOUND AND RELATED ITEMS

2.4  METHOD OF AWARD TO MULTIPLE VENDORS BY ITEM

Award of this solicitation will be made to the Two (2) lowest priced responsive, responsible bidders in the aggregate.

The County will use the estimated annual quantities multiplied by the unit price bid per item (adjusted as noted below) added in the aggregate to determine the lowest priced bidders. Additionally, for the products "or equal", the dilution ratio (shown on the product label or other documentation acceptable to the County) will be used to arrive at the cost per usable unit of product which will then be used to determine the price for that item (i.e., the cost to obtain usable amount of the "or equal" product that would equal the usable amount of the brand name product specified.

The primary bidder shall have the responsibility to initially deliver the chemical(s) and install the necessary dispenser suitable for the chemical. If the primary bidder fails to perform, the County may obtain the chemical and dispenser from the secondary bidder, which will then become the primary. In the event the primary and the secondary vendors fail to perform, the County may seek the chemical and dispenser from another vendor, which will then become the primary. Additionally, the County reserves the right to re-assign the primary, secondary designations should the price adjustments pursuant to Section 2.4 result in a new order of low price.

Award to multiple bidders is made for the convenience of the County and does not exempt the primary bidder from fulfilling its contractual obligations. Failure of any bidder to perform in accordance with the terms and conditions of the contract may result in the bidder being deemed in breach of contract. The County may terminate the contract for default and charge the bidder re-procurement costs, if applicable.

The bidder shall be regularly engaged in the business of providing similar products described in this solicitation for a (correctional institution or similar facility).

2.6  Documentation

1) Bidders shall provide at least one (1) reference for a (correctional institution or similar facility), which uses the chemical and equipment offered by bidder. The reference must be from a customer that is purchasing, or has previously purchased, similar products from the bidder within the past two years. The bidder's submittal shall include the reference's company name, contact name, telephone number, and e-mail address of the person who can verify to the County that the bidder has successfully provided similar products and services.

The reference shall provide, to the County's satisfaction, that the bidder has sufficient experience and expertise in the industry to meet the scope of work and all requirements of this solicitation.
SECTION 2

Accordingly, the vendor(s) performing under this contract shall be required to provide two (2) complete sets of Material Safety Data Sheets to each User Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis. Also for product information submittals, all supporting documentation submitted by the Bidder must in total meet the required specifications set forth in this solicitation. Where the standard product literature submitted provides information that does not comply with the specifications, the County may request in official letter on corporate letterhead the differences between the product(s) they are specifically offering. If samples of all "or equal" products are required for evaluation, such product samples are to be provided at no cost to the County at the time of specific request. Failure to meet this requirement may result in your offer being rejected. The County shall be sole judge of equality, based on the best interests of the County, and its decision in this regard shall be final. Items labeled "No Substitute" on the County's Bid Submittal Form are the only products that will be accepted under this solicitation.

In these cases, the vendor shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

Should the vendor(s) to whom the contract(s) is awarded fail to deliver in the number of days stated above, the County reserves the right to cancel the contract on a default basis after any back order period that has been specified in this contract has lapsed.
If the contract is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent vendor with any re-procurement costs. If the vendor fails to honor these re-procurement costs, the County may terminate the contract for default.
