2.43 PROHIBITION AGAINST CONTRACTING WITH SCRUTINIZED COMPANIES
In accordance with Section 287.135, Florida Statutes, “A company that, at the time of bidding or submitting a proposal for a new contract or renewal of an existing contract, is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statutes, is ineligible for, and may not bid on, submit a proposal for, or enter into or renew a contract with an agency or local governmental entity for goods or services of $1 million or more.” Section 215.473 defines a company to include “all wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of such entities or business associations that exist for the purpose of making profit.” By submitting a response to this solicitation, a respondent certifies that it and those related entities of respondent as defined above by Florida law are not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473. Any respondent awarded a Contract as a result of this solicitation shall be required to re-certify at each renewal of the Contract that it and its related entities are not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. The School Board may terminate any Contract resulting from this solicitation if respondent or a related entity as defined above is found to have submitted a false certification or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Notwithstanding the preceding, the School Board reserves the right and may, in its sole discretion, on a case by case basis, permit a company on such lists to be eligible for, bid on, submit a proposal for, or enter into or renew a contract, should the School Board determine that the conditions set forth in Section 287.135(4) are met.

2.44 FLORIDA PREFERENCE
Pursuant to §287.084 Florida Statute, and subject to applicable federal law, the School Board shall make appropriate adjustments to pricing of responses when proposals have been submitted by bidders having a principal place of business outside the State of Florida. The bidder must complete and submit the Proposer’s Principal Place of Business Form, which is attached hereto, with its response to this solicitation. Failure to comply shall be considered non-responsive to the terms of this solicitation. Refer to: http://www.leg.state.fl.us/Statutes/index.cfm for additional information regarding this Statute.

2.45 RESOLUTION OF BID PROTESTS
The School Board Rule 7.70.V shall be followed as outlined below for the resolution of any bid protests:

A. The School Board shall follow the procedure specified in Florida Statutes, Section 120.57(3) and as the same may be amended from time to time for the resolution of bid protests.

B. The Purchasing Department shall provide notice of a decision or intended decision concerning a solicitation, contract award, or exceptional purchase by electronic posting.

The notice shall contain the following statement:

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.
C. Any person who is adversely affected by the intended award of a solicitation or contract by the School Board or the recommendation of the Executive Director of Contract Services or other responsible employee of the School Board shall file with the Executive Director of Contract Services as agent for the School Board a notice of protest in writing within 72 hours after the electronic posting of the award or intended decision, and shall file a formal written protest within ten (10) days after the date he or she has filed the notice of protest. With respect to a protest of the specifications contained in a solicitation, the notice of protest shall be filed in writing within 72 hours after the electronic posting of the solicitation, and the formal written protest shall be filed within ten (10) days after the date the notice of protest is filed. All formal written protests must be filed with a bond payable to the School Board equal to 1% of the estimated contract amount. Failure to file a notice of protest or failure to file a formal written protest and bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. The School Board may, in its discretion, waive any procedural irregularity or defect in procedures so long as any opposing party is not materially prejudiced by such waiver. Saturdays, Sundays, and state holidays shall be excluded in the computation of the 72-hour time periods provided by this paragraph. The notice of protest and formal written protest shall be filed in the Purchasing Department between the hours of 8:00 a.m. and 4:30 p.m. upon any day the office is open for business.

The provisions specified herein constitute the exclusive remedy for any adversely affected party with respect to a bid protest. The formal written protest shall state with particularity the facts and law upon which the protest is based.

D. Upon receipt of the formal written protest which has been timely filed, the Executive Director shall stop the bid solicitation process or the contract award process until the subject of the protest is resolved by final agency action, unless the School Board, by duly enacted resolution sets forth in writing the particular facts and circumstances which require the continuance of the bid solicitation process or the contract award process without delay in order to avoid an immediate and serious danger to the public health, safety or welfare.

The School Board finds that a substantial interest in the public welfare is the timely award of contracts when required as a condition of receiving grants or funds from outside sources which will be in addition to the regular school budget.

E. The Executive Director shall schedule a meeting to provide an opportunity to resolve the protest by mutual agreement between the parties within seven (7) days, excluding Saturdays, Sundays, and state holidays, after receipt of a formal written protest and bond.

F. If the Executive Director cannot resolve the protest by mutual agreement within the seven (7) day period referred to in Paragraph E in this Section, the School Board shall conduct an informal administrative hearing, under Section 120.57(2), Florida Statutes, acting as the agency head, where there are no disputed issues of material fact. The informal hearing shall be held with notice of no less than 72 hours, excluding Saturdays, Sundays, and legal holidays within thirty (30) days of receipt of the formal written protest and bond, unless the parties, with the consent of the School Board, agree to extend the time for the hearing. The School Board shall have the right to schedule the hearing subject to these provisions.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1) notify employees that as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo-contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

   (e) Information disclosed by requirement of law or judicial order, including without limitation Chapter 119 Florida Statutes; or

   (f) Information that is disclosed with the prior written consent of the Respondent, but only to the extent permitted by such consent.

4. **Non Disclosure by Respondent.** In the event that the School Board discloses confidential or trade secret information to Respondent, the Respondent agrees to not disclose such information to any third party or copy such information or use it for any purpose not explicitly set forth herein without the School Board’s prior written consent. Further, upon conclusion of discussions or business transactions between the School Board and the Respondent, or at any time upon request of the School Board, Respondent agrees to return such information (including any copies) to the School Board.

5. **Duty of Care.** Each Party agrees to treat the other Party’s confidential or trade secret information with the same degree of care, but not less than reasonable care, as the receiving Party normally takes to preserve and protect its own similar confidential information and to inform its employees of the confidential nature of the disclosing Party’s information and of the requirement of nondisclosure. In the event either Party has actual knowledge of a breach of the nondisclosure requirements set forth in this Agreement, the Party acquiring such knowledge shall promptly inform the other Party and assist that Party in curing the disclosure, where possible, and preventing future disclosures.
6. **Limitations of Florida Law.** Respondent understands and agrees that its assertion that any item is confidential or a trade secret does not, in and of itself, render such material exempt from the Florida Public Records Law, Chapter 119 of the Florida Statutes, and that the School Board’s ability to prevent disclosure of confidential and trade secret information may be subject to determination by a Florida court that such materials qualify for trade secret protection under Florida law. In the event a third party makes a public records request for the Confidential Materials or other materials deemed by Respondent to be confidential or a trade secret, the School Board may submit the materials to the court for inspection in camera as set forth in Section 119.07(1)(g) Florida Statutes. Respondent further understands that the School Board may be required to disclose such information if directed by a court of competent jurisdiction.

7. **Indemnification by Respondent.** In the event of any litigation instituted by a third party to compel the School Board to disclose such materials, Respondent shall, at its sole cost and expense, provide assistance to the School Board in defending the denial of the records request, and shall hold the School Board harmless from any claim for statutory costs and attorney’s fees arising from the School Board’s refusal to disclose such materials.

8. **No Additional Obligations.** This Agreement shall not be construed in any manner to be an obligation for either Party to enter into any subsequent contract or agreement.

9. **Sovereign Immunity.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the School Board beyond any statutory limited waiver of immunity or limits of liability, which has been or which may be adopted by the Florida Legislature, regardless of the nature of any claim which may arise, including but not limited to a claim sounding in tort, equity or contract. In no event shall the School Board be liable for any claim or claims for breach of contract, including without limitation the wrongful disclosure of confidential or trade secret information for an amount which exceeds, individually and collectively, the then current statutory limits of liability for tort claims. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the School Board, which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

10. **Notice.** Whenever either Party desires to give notice unto the other, it must be given by written notice, sent by registered United States mail, with return receipt requested, addressed to the party for whom it is intended, at the place last specified, and the place for giving of notice in compliance with the provisions of this paragraph. For the present, the Respondent designates the address set forth above as its place for receiving notice, and the School Board designates the following address for such notice:

11.  **Governing Law.** This Agreement shall be governed by the laws of the State of Florida, and venue for any action arising out of or relating to the subject matter of this Agreement shall be exclusively in Osceola County, Florida, or the Federal District Court for the Middle District of Florida, Orlando Division.

12.  Respondent and the School Board hereby expressly waive any rights either may have to a trial by jury of any civil litigation related to this Agreement for any litigation limited solely to the parties of this Agreement.
