The Buyer reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Respondent meet the Contract requirements. Respondent shall at all times during the Contract term remain responsive and responsible. In determining Respondent’s responsibility as a vendor, the agency shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Respondent’s capability to fully satisfy the requirements of the solicitation and the contract.
Respondent must be prepared, if requested by the Buyer, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the respondent for the production, distribution, and servicing of the product bid. Respondent may be disqualified from receiving awards if respondent, or anyone in respondent's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the Buyer to make an investigation either before or after award of the Contract, but should the Buyer elect to do so, respondent is not relieved from fulfilling all Contract requirements.

2.12 Public Opening. Responses shall be opened on the date and at the location indicated on the Timeline. Respondents may, but are not required to, attend. 3.5.3 MyFloridaMarketPlace Sourcing Tool Tips

When working in the Sourcing Tool, be aware of the twenty (20) minute time-out function in the Tool. This means that you should save your work (click the SAVE button) at intervals of less than twenty (20) minutes to ensure your entries since you last saved are not lost.

Please note that clicking the SAVE button within the Sourcing Tool only saves your solicitation Responses. The SAVE button does not transmit your solicitation Response to the State. In order to transmit your solicitation Response to the State, you must click the SUBMIT button on the SUMMARY page of the solicitation Response.

After clicking the SUBMIT button, it is the Respondent's responsibility to check any submitted Response within the Sourcing Tool to verify that the Response is accurately and completely captured within the Sourcing Tool. Respondents must do this while there is sufficient time remaining in the solicitation period in the event you discover an error and need to resubmit a revised Response.

To validate your Response, you should do the following before the solicitation period ends:
  • Go to the “My Bids / My Responses” tab within the Sourcing Tool after you submitted your Response.
  • Click on the Response ID number of your last submitted Response.
  • Review entire Response to make sure all responses are complete, accurate, and as you intended to submit.
  • Minimum areas to check are:
    • Text boxes – Is your entire answer viewable?
    • Yes/No questions – Is the displayed answer correct?
    • All uploaded document files – Can you open attached document(s) and clearly view entire content? Does the content of the file(s) match your Response within the Tool (e.g., not an earlier version, incomplete copy, or working copy)?
    • Pricing and Other Information – Are all prices and other information you intended to submit visible and accurately captured within Sourcing Tool?
    • Required Items - Are all items listed in the solicitation completed as required within the Sourcing Tool?
DO NOT RELY ON THE MYFLORIDAMARKETPLACE SOURCING TOOL’S TIME REMAINING CLOCK. THE OFFICIAL SOLICITATION CLOSING TIME SHALL BE AS REFLECTED IN SECTION 1.2, TIMELINE. The response deadline(s) shall be as reflected in Section 1.2, Timeline, of this solicitation. The MyFloridaMarketPlace Sourcing Tool's time remaining clock is not the official submission date and time deadline, it is intended only to approximate the solicitation closing and may require periodic adjustments.

It is strongly recommended to submit your Response as early as possible. You should allow time to receive any requested assistance and to receive verification of your submittal; waiting until the last hours of the solicitation could impact the timely submittal of your Response.

3.5.4 MyFloridaMarketPlace Email Notification

Vendors are reminded that the Sourcing Tool’s Email Notifications are an option provided as a courtesy. The State of Florida is not under any obligation and does not guarantee that Vendors will receive Email Notifications concerning the posting, amendment, addendum, or close of solicitations. **Vendors are responsible for checking the MyFloridaMarketPlace Sourcing Tool and the Vendor Bid System for information and updates concerning solicitations.**

3.6 Amendments or Addendums to the Solicitation Documents

The Department reserves the right to issue Amendments or Addendums to the solicitation. Notice of any Amendment or Addendum will be posted within MyFloridaMarketPlace and / or the Vendor Bid System. Such notice, if required, will contain the appropriate details for identifying and reviewing the formal notices and / or changes to the solicitation. Each Vendor is responsible for monitoring the sites for new or changing information concerning the solicitation.

3.7 Estimated Quantities

To assist Respondents in the solicitation process, average estimated historical spend information is factored and provided for the intended Contract Period of Agreement, per Section 5.2. Estimated spend information is based on former similar state term contract sales data from June 2003 through May 2010. This figure shall not be construed as a commitment.

- **Estimated $31 Million USD ($)**

The above figure reflects estimated spend generated by State Agencies and by Eligible Users and is not a commitment.

Additional estimations of usage, quantity, volume, weight, spend, and / or other estimates may be provided by the Department in the solicitation documents. The figures provided are to assist Respondents in the solicitation process and / or to assist the Department in measuring Responses to the solicitation and shall not be construed as commitments.

3.8 Submittal of Response

3.8.1 Submittal of Bid
Respondents will submit their offer via the MyFloridaMarketPlace Sourcing Tool (https://sourcing.myfloridamarketplace.com/). The Response shall include all appropriate forms located within the MyFloridaMarketPlace Sourcing Tool RFX Info Section. All required or requested question responses, documents, files, location information, and pricing shall be entered electronically in the MyFloridaMarketPlace Sourcing Tool during this solicitation as indicated. If no indication for submission is provided for required or requested documents or files, or if instructions to mail a specific document or file are provided, then those specific documents or files only shall be mailed or delivered via courier to the attention of the Contact Person in Section 3.1 of the solicitation.

The outer packaging of mailed documents shall clearly state: Solicitation Title and Number (ITB No. 01-070-700-S, Medium & Heavy Trucks), and the ITB Responses Due Date and Time from the Timeline in Section 1.2 of the solicitation. Failure to provide all required information within the solicitation Response may result in rejection of the Response.

In the event the Respondent submits more than one Response in the MyFloridaMarketPlace Sourcing Tool, only the last Response received by the system shall be considered for award. Previous Responses will not be visible to the State of Florida. Responses not submitted within the System shall be rejected. The System will require Respondents to review the Solicitation Preparation Checklist (Section 7.2) and confirm that they have completed all required activities before accepting offer. The Solicitation Preparation Checklist does not relieve the Respondent of responsibility for ensuring that all requirements of the solicitation are included with the solicitation Response. The Solicitation Preparation Checklist does not have to be provided with the Response.

Each Respondent is responsible for ensuring that the offer is submitted before the submittal deadline noted on the Timeline in Section 1.2 of the solicitation. The Department shall not consider late offers and the System will NOT accept offers after the due date and time specified in the Timeline or as amended by the Department. Responses must be submitted in the MyFloridaMarketPlace Sourcing Tool, or as otherwise provided in the solicitation document, by the date and time specified on the Timeline.
