2.1 PURPOSE: TO ESTABLISH A CONTRACT FOR THE COUNTY

The purpose of this solicitation is to establish a contract for the purchase of inmate uniforms in conjunction with the County's needs.

2.2 TERM OF CONTRACT

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for sixty (60) months and upon completion of the expressed and/or implied warranty periods.

2.3 METHOD OF AWARD

Award will be made to the lowest priced responsive, responsible bidders on an item-by-item basis. An 'item' is defined as the total of all prices for the required sizes. Failure to provide a price for a required size may result in the bid for that item being rejected.

In situations where a bidder wishes to provide the item or service at no cost to the County, enter zero (0) on the appropriate pricing line; do not leave the line blank.

2.4 PRICES

The prices proposed by the awarded bidder(s) shall remain fixed for a period of no less than twelve (12) months after the commencement of the contract. After this period, the bidder may submit a price adjustment to the County based on documented price adjustments by the product's manufacturer. Acceptable documentation for an adjustment may be an email or letter by the item Manufacturer to its distributors notifying them of an adjustment. Adjustments greater than five percent on any item will be dis-allowed. The County reserves the right to negotiate lower pricing based on market conditions or other factors that influence price.

It is the bidder's responsibility to request any pricing adjustment under this provision. The bidder's request for adjustment must be submitted to the County's Internal Services Department for review no less than 90 days prior to expiration of the then current contract period.

The County reserves the right to reject any price adjustments submitted by the bidder.

2.5 PRODUCTS

A. The mention of a particular manufacturer's brand name or style number in the specifications does not imply that this particular product is the only one that will be considered for purchase. This reference is intended solely to designate the style, type or quality of merchandise that will be acceptable. If an "equal" product is to be considered by the County in accordance with the Bid/Proposal Submission Form, the product shall be equal in style, color, quality and standards of performance to the item specified in the solicitation.

The determination as to whether any alternate product is or is not equal shall be made solely by Miami-Dade County and such determination shall be final and binding upon all bidders. Miami-Dade County reserves the right to request and review additional information and samples to make such a determination.

Each 'equal' item must be clearly identified on the offer submittal pages(s) as to manufacturer and style number. Failure to provide this information with the offer may result in rejection of the offer.

B SAMPLES

Bidders may be required to submit a sample of the goods to be supplied for evaluation by, and at no cost to the County. This sample will become property of the County, and may or may not be returned to the bidder at the County's option. If samples are required, the County will notify the bidder of such in writing and will specify the deadline for submission of the samples. Each individual sample shall be clearly labeled with the bidder's name, bid number, bid title, manufacturer's name, brand name, and style number if applicable. If the bidder fails to submit the samples, properly labeled, by the specified date stipulated in the notice, the County may not consider the bidder's proposal for that item(s).

The County reserves the right to perform its own testing procedures. Any costs for testing shall be borne by bidder. On the basis of this testing and analysis, the County shall be sole judge of the acceptability of the sample in conformance with the bid specifications and its decision shall be final. Any sample submitted shall create an express warranty that the whole of the goods and/or services to be provided by the bidder during the contract period shall conform to the sample submitted.

2.6 DELIVERY

The bidder shall make deliveries of ordered items within forty five (45) calendar days after the date of the order with the exception of extended sizes which are defined as 4XL and larger which must be delivered within sixty (60) calendar days of the order. All deliveries shall be made in accordance with good commercial practice and all required delivery time frames shall be adhered to by the bidder; except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the bidder. In these cases, the bidder shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

Should the bidder(s) to whom the contract is awarded fail to deliver in the number of days stated above, the County reserves the right to cancel the order on a default basis at no cost to the County. If the order is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent bidder with any re-procurement costs. If the bidder fails to honor these re-procurement costs, the County may terminate the contract for default. Repeated late delivery or failure to deliver complete order(s) may also result in default and contract termination.

2.7 PURCHASE OF OTHER ITEMS

While the County has listed all major items within this solicitation which are utilized by County departments in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a representative of the Internal Services Department, Procurement Management Division will contact the awarded bidders to obtain a price quote. Award of these items will be made as described in paragraph 2.3. In cases where a product has been awarded and additional sizes, colors or services are required by the County, the bidders awarded the item shall be solicited for the new requirement. The County retains the right to reject any quote received and purchase the item through other means.

2.8 SUBSTITUTION OF ITEMS

Substitute brands or styles may be considered during the contract period. The bidder shall not deliver any substitute item as a replacement to an awarded product without express written consent of Internal Services Department, Procurement Management Division prior to such delivery. Substitute items must be provided at the contract price and be of equal or better quality than the awarded item.

2.9 INSURANCE REQUIREMENT

solicitation.
