Reasons for Recommendation

SELECTION FACTOR - This project meets all the criteria set forth in I.O. # 3-41

There are thirty-one (31) SBE firms certified in the various Commodity Codes listed for this project. No "Verification" was conducted as the solicitation for the Body Worn Camera will be proprietary to the intellectual property owner; additionally, the device cannot operate without the software for which it is programmed to work with. Procurement Management confirmed that the intent of the RFP is to award it to a "Sole Consultant", hence no "Subconsulting" opportunities and that through "Market Research" efforts, only six (6) were identified as having this capability. As such, a Selection Factor is appropriate.

Commodity Code: 20554-Software, Application: Preprogrammed Software F; 65530-Cameras, Movie, And Accessories; 65539-Cameras, Still, Specialized (Including Complete Systems For Medical And Dental Photography, Photomicrography, Etc.); 680-Police Equipment And Supplies; 68087-Surveillance And Countersurveillance Equipment And Supplies
