SECTION 2 - SPECIAL TERMS AND CONDITIONS**2.1 PURPOSE**

The purpose of this solicitation is to establish a contract for the purchase of animal food in conjunction with the County's needs on a needed basis.

2.2 TERM OF CONTRACT

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the sixty (60) month period.

2.3 METHOD OF AWARD

Group A: Award(s) will be made to the lowest priced responsive, responsible vendors on an item-by-item basis as the sole option of the County.

Group B: Pre-Qualification for Spot Market Quotes

All vendors awarded under group A shall be deemed pre-qualified under group B. Entry into the pre-qualification pool is not a contract between Miami-Dade County and any member of the pool, but rather is an acknowledgement that the pool member satisfies the pre-qualification criteria set forth below for membership in the pool. Pre-qualified vendors will be invited to participate in future spot market competitions. The pool shall remain open for the term of the contract, enabling vendors to qualify at any time after the initial bid opening date.

2.4 PRICES

The prices resultant from this solicitation shall prevail for the term of the contract, except as hereby noted. The County will consider yearly price adjustments, to be effective on the contract's annual anniversary date, based on the Manufacturers Price Increase. It is the bidders' responsibility to request any pricing adjustment under this provision. Requests for price adjustment should be submitted to the Internal Services Department Procurement Management Division ninety (90) days prior to the contract's anniversary date. Requests for price adjustment must clearly substantiate the requested increase. The County reserves the right to negotiate prices, approve or disapprove price adjustments, or cancel its contract with the bidder, in its best interest.

2.5 DELIVERY

2.5.1 The vendor shall make deliveries in accordance with schedules provided by the County department(s). All deliveries shall be made in accordance with good commercial practice and all required delivery timeframes shall be adhered to by the vendor(s); except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the vendor. In these cases, the vendor shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

- 2.5.2 Certain County employees may be authorized in writing to pick-up materials under this contract. Bidders shall require presentation of this written authorization. The bidder shall maintain a copy of the authorization. If the bidder is in doubt about any aspect of material pick-up, vendor shall contact the appropriate user department to confirm the authorization.
- 2.5.3 Should the vendor(s) to whom the item(s) is awarded fail to deliver in the number of days agreed, the County reserves the right to cancel the contract on a default basis. If the contract is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent vendor with any re-procurement costs. If the vendor fails to honor these re-procurement costs, the County may terminate the contract for default.
- 2.5.4 The successful vendor shall enclose a complete packing slip or delivery ticket with any items to be delivered in conjunction with this bid solicitation. The packing slip shall be attached to the shipping carton(s) which contain the items and shall be made available to the County's authorized representative during delivery. The packing slip or delivery ticket shall include, at a minimum, the following information: purchase order number; date of order; a complete listing of items being delivered; and back-order quantities and estimated delivery of back-orders if applicable.
- 2.5.5 The County shall not allow any late deliveries attributed to product back order situations under this contract. Accordingly, the vendor is required to deliver all items to the County within the time specified in this solicitation and resultant contract and/or as agreed with the user department; and no grace period on account of back order situations shall be honored, unless written authorization is issued by the user department, and a new delivery date is mutually established. In the event that the vendor fails to deliver the products within the time specified, the County reserves the right to cancel the order, seek the items from another vendor, and charge the incumbent vendor for any re-procurement costs. If the vendor fails to honor these re-procurement costs, the County may terminate the contract for default.

2.6 EQUAL PRODUCT

- 2.6.1 The manufacturer's names, or brand names, in this solicitation are being used for the sole purpose of establishing the minimum requirement of level of quality, standard of performance, and design and this is in no way intended to prohibit the offer of other manufacturer's items of equal material and performance. An "equal" product shall be equal in quality and standards of performance to the product specified in the solicitation. The County shall be sole judge of equality, based on its best interest, and its decision in this regard shall be final. Items labeled "No Substitute" on the Submission Form are the only products that will be accepted under this solicitation.
- 2.6.2 Bidder must submit the following documentation to enable County evaluation of "equal" products:
1. Product Information Sheets
 2. Product Samples Upon Specific Request
 3. Product labels

If an "equal" product may be considered by the County in accordance with the Bid/Proposal Submission Form, the unit shall be equal in quality and standards of performance to the item specified in the solicitation. Where an "or equal" item is offered, and product information sheets are required,

the initial offer must be accompanied with two (2) complete sets of product information sheets (such as factory specifications, standard manufacturer information sheets, catalogues, and brochures), and if required, two (2) copies of performance test results of the unit offered as an equal.. Also for product information submittals, all supporting documentation submitted by the Offeror must in total meet the required specifications set forth in this solicitation. Where the standard product literature submitted with the offer provides information that does not comply with the specifications, the Offeror shall state, in an official letter on corporate letterhead as part of their initial offer, the differences between the item they are specifically offering, and the equipment described by the standard product literature, to substantiate compliance to all of the specifications set forth in this solicitation. In such cases, any offer submitted with standard product literature but without the letter explaining compliance will result in the rejection of the offer for not meeting the solicitation specifications.

If samples of all "or equal" items bid are required for evaluation, such items are to be provided at no cost to the County, and should be submitted with the initial offer, or at the time of specific request. Failure to meet this requirement may result in your offer being rejected.

For "equal" products to be evaluated based on submission of product labels, the initial offer should be accompanied with labels indicating the specification and ingredients for each "or equal" item offered. Failure to meet this requirement may result in your offer being rejected.

The County shall be sole judge of equality, based on the best interests of the County, and its decision in this regard shall be final.

2.7 PURCHASE OF OTHER ITEMS

While the County has listed all major items within this solicitation which are utilized by the six Departments in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, the County representative may obtain price quotes from bidders under Group B.

2.8 RANDOM TESTING OF SAMPLES

Samples of delivered items may be randomly selected and tested for compliance with specifications. If it is found that a delivered product does not conform to the specifications, the County shall require replacement within a reasonable length of time and may cancel its contract with the bidder for default.

2.9 ACCEPTANCE OF PRODUCT AND DAMAGE GOODS

2.9.1 The product(s) to be provided hereunder shall be delivered to the County, and maintained if applicable to the contract, in full compliance with the specifications and requirements set forth in this contract. If a vendor-provided product is determined to not meet the specifications and requirements of this contract, either prior to acceptance or upon initial inspection, the item will be returned, at vendor expense, to the vendor. At the County's own option, the vendor shall either provide a direct replacement for the item, or provide a full credit for the returned item. The vendor shall not assess any additional charge(s) for any conforming action taken by the County under this clause.

2.9.2 The vendor shall promptly replace any damaged goods. The vendor shall be responsible for filing, processing, and collecting all damage claims against the shipper.

2.10 SHELF LIFE OF STOCK

The successful vendor(s) shall supply the County with fresh stock only and shall ensure that items with a limited shelf life are inspected and certified fresh by the vendor prior to shipment to the County.

2.11 ITEM PACKING CONFIGURATION

Please note that the item specifications and descriptions contained in Section 4 of this solicitation contain packing configurations (i.e.: number of units per case) used for previous purchases of these items. To ensure that any variations can be taken into consideration please confirm your own packing configuration in the column headed 'Confirm Quantity per Case'

SECTION 3 – TECHNICAL SPECIFICATIONS**3.1 SCOPE OF WORK**

The purpose of this solicitation is to establish a contract for the purchase of animal foods in conjunction with the County's needs on an as needed basis.

3.2 SPECIFICATIONS**3.2.1. TIMOTHY HAY:**

1. Must conform to USDA Federal Grain Inspection Services guidelines for U. S. Grade #1 Timothy.
2. Hay is to consist primarily of Timothy Grasses.
3. Contains no more than 10% foreign materials, i.e. weeds and non-forage plants.
4. Minimum of 40% green color. State of maturity pure-bloom or preheat stage.
5. Minimum of 40% leafiness.
6. Minimum of 12% crude proteins dry matter analysis.
7. Must be dry, free of mold, free of musty odor, and not taken within 300 feet of a Highway.
8. Timothy hay must not be weathered or exposed to rain once cut. Field stacked hay not acceptable.
9. Bales to be firmly packed not to exceed 100 lbs. Equal tension and bale length.
10. The successful bidder shall be responsible for loading and stacking of hay at the Zoo Miami hay barn.
11. Zoo Miami will not accept freshly cut hay; it must be stored at least three (3) weeks before delivery.
12. Analysis by state certified lab, analysis for moisture, protein, fiber, ash and carbohydrates shall be provided by the successful bidder upon request.
13. Timothy hay will be purchased by the ton. Scale tickets must accompany each delivery.
14. Zoo Miami will accept delivery of partial trailer loads only.
15. Hay must smell sweet.

3.2.2. ALFALFA HAY:

1. Must conform to USDA Federal Grain Inspection Services guidelines for U. S. Grade #1 Alfalfa Hay.
2. Contains no more than 5% foreign materials, i.e. weeds and non-forage
3. Contains no more than 10% forage plants i.e. clover, vetch hay, etc.
4. Minimum of 60% green color. State of maturity: pre-bloom or early bloom stage.
5. Minimum of 40% leaves.
6. Minimum of 18% crude proteins dry matter analysis.
7. Minimum of 88% dry matter.
8. Must be dry, free of mold, free of musty odor, and not taken within 300 feet of a highway.
9. Alfalfa Hay must not be weathered or exposed to rain once cut. Field stacked hay not acceptable.
10. Bales to be firmly packed not to exceed 100 lbs. Equal tension and bale length.
11. The successful bidder shall be responsible for loading and stacking of hay at the Zoo Miami hay barn.
12. Zoo Miami will not accept freshly cut hay; it must be stored at least three (3) weeks before delivery.
13. Analysis by state certified lab, analysis for moisture, protein, fiber, ash and carbohydrates shall be provided by the successful bidder upon request.
14. Alfalfa Hay will be purchased by the ton. Scale tickets must accompany each delivery.
15. Zoo Miami will accept delivery of partial trailer loads only.
16. Hay must smell sweet.

3.2.3. COASTAL BERMUDA HAY:

1. Must conform to USDA Federal Grain Inspection Services guidelines for U. S. Grade #1 Bermuda Hay
2. Contains no more than 10% foreign materials, i.e. weeds and non-forage plants.
3. Minimum of 8% crude proteins dry matter analysis.
4. Hay must be green color. State of Maturity pureblood or preheat state.
5. Must be dry, free of mold, free of musty odor, and not taken within 300 feet of a Highway.
6. Bermuda Hay must not be weathered or exposed to rain once cut. Field stacked hay not acceptable.
7. Bales to be firmly packed not to exceed 50 lbs. Equal tension and bale length.
8. The successful bidder shall be responsible for loading and stacking of hay at the Zoo Miami hay barn.
9. Zoo Miami will not accept freshly cut hay; it must be stored at least three (3) weeks before delivery.
10. Analysis by state certified lab, analysis for moisture, protein, fiber, ash and carbohydrates shall be provided by the successful bidder upon request.
11. Zoo Miami reserves the right to reject any delivery due to poor quality.
12. Zoo Miami shall accept delivery of partial trailer loads only
13. Hay must smell sweet.

3.2.4. WHEAT OR OAT STRAW:

1. Must be USDA Grade #1 (bright with <35% chaff)
2. Hay is to consist primarily of wheat or oat hay.
3. Contains no more than 10% foreign materials, i.e. weeds and non-forage plants.
4. Must be dry, free of mold, free of musty odor
5. Must not be weathered or exposed to rain once cut. Field stacked hay not acceptable.
6. Bales to be firmly packed not to exceed 100 lbs. Equal tension and bale length.
7. The successful bidder shall be responsible for loading and stacking of straw at the Zoo Miami hay barn.
8. Zoo Miami will not accept freshly cut straw; it must be stored at least three (3) weeks before delivery.
9. Analysis by state certified lab, analysis for moisture, protein, fiber, ash and carbohydrates shall be provided by the successful bidder upon request.
10. Straw will be purchased by the ton. Scale tickets must accompany each delivery.
11. Zoo Miami will accept delivery of partial trailer loads only.

3.2.5. EUKANDA BREED SPECIFIC (LABRADOR RETRIEVER):

1. No substitutes
2. 30 lb. bag

3.2.6. ROYAL CANINE VETERINARY DIET GASTRO INTESTINAL HIGH ENERGY DRY DOG FOOD:

1. No substitute
2. 22 lb. bag

3.2.7. ROYAL CANINE VETERINARY DIET GASTRO INTESTINAL HIGH ENERGY CAN DOG FOOD:

1. No substitute
2. 13.6 oz. can

3.2.8. SCIENCE DIET "MAINTENANCE":

1. No substitute
2. 35 lb. bag

3.2.9. EUKANUBA PREMIUM PERFORMANCE:

1. No substitute
2. 44 lb. bag

3.2.10. PEDIGREE CHOICE CUTS - BEEF:

1. No substitute
2. 13.2 oz. can

3.2.11. PEDIGREE CHOICE CUTS - CHICKEN:

1. No substitute
2. 13.2 oz. can

3.2.12. NUTRO – LARGE BREED ADULT DOG (CHICKEN & RICE FORMULA) WITH GLUCOSAMINE:

1. No substitute
2. 35 lb. blue bag

3.2.13. PURINA PRO PLAN SENSITIVE SKIN:

1. No substitute
2. 33 lb. bag

3.2.14. BLUE BUFFALO LIFE PROTECTION FORMULA ADULT (CHICKEN AND BROWN RICE):

1. No substitute
2. 30 lb. bag

3.2.15. NUTRO DRY FOOD FOR SENSITIVE SKIN & STOMACH (FISH, WHOLE BROWN RICE & POTATO):

1. No substitute
2. 30 lb. bag

3.2.16. NUTRO DRY FOOD FOR SENSITIVE SKIN & STOMACH (VENISON MEAL & WHOLE BROWN RICE):

1. No substitute
2. 30 lb. bag

3.2.17 BIRD OF PREY DIET, FROZEN, NEBRASKA BRAND

1. No Substitutes
2. Must be FDA Certified, USDA Inspected and Passed Facility
3. Packed In 5 Lb. Casings, 8 Per Case
4. 19% Protein Minimum
5. 8% Fat Minimum
6. 1% Fiber Maximum
7. 62% Moisture Maximum
8. 4.5% Ash Maximum
9. 0.4% Calcium Minimum
10. 0.3% Phosphorus Minimum
11. 4200 I.U./Lb. Vitamin A Minimum
12. 750 I.U./Lb. Vitamin D3 Minimum

3.2.18 MAZURI WATERFOWL BREEDER

1. No Substitutes
2. Extruded pellet size 5/16" x 1/8"
3. 50 lbs. per bag
4. 17.0% Crude Protein Minimum
5. 2.5% Crude Fat Minimum
6. 6.0% Crude Fiber Maximum
7. 10.0% Ash Maximum
8. 5.2% Added Minerals Maximum
9. Ingredients: Ground wheat, wheat middling, meat and bone meal, ground yellow corn, calcium carbonate, soybean meal, fish meal, soybean oil, dried whey, brewers dried yeast, salt, vitamin A supplement, ethoxyquin (a preservative), biotin, calcium pantothenate, chlorine, vitamin D-3 supplements.

3.2.19 ZIEGLER BROS. CRANE BREEDER DIET

3. No Substitutes
4. 50 lbs. per bag
5. 22.0% crude Protein Minimum
6. 5.0% Crude Fat Minimum
7. 4.5% Crude Fiber Maximum

3.2.20 CALF-MANNA

1. 50 Lbs. Per Bag
2. Protein: Minimum of 25%
3. Fat: Minimum of 3%
4. Fiber: Maximum of 6%

3.2.21 MAZURI ELEPHANT SUPPLEMENT

1. No Substitute
2. 50 LBS. Bag
3. Crude Protein (min): 24%
4. Crude Fat (min): 4.0%
5. Crude fat must be produced entirely from vegetable oil and not from Animal Products
6. Pellet must not contain any cotton seed or its by-products.
7. Pellet must not contain plant screening.
8. The pellet size should be 1/2 to 3/4 "in length and 3/8 to 1/2" in diameter.

3.2.22 MAZURI ADF 16 PELLETS (SMALL SIZE)

1. 50 Lbs. Per Bag
2. Crude Protein (min): 17%
3. Crude Fiber (max): 15%
4. Crude Fat (min): 3%
5. Crude fat must be produced entirely from vegetable oil and not from
6. Animal products.
7. Primary ingredient is to be alfalfa meal.
8. Pellets must not contain any cotton seed or its by-products.
9. Pellets must not contain plant screening. No peanut by-products and/or feed mill dust.
10. A list of ingredients and their concentrations (including every item stated above) must accompany bid.
11. Maximum delivery at any one time of 5 tons

12. The finished product should be firmly compressed in cylindrical pellets 1/8" to 3/16" in diameter and 1/2" in length.

3.2.23 MAZURI RODENT

1. Bags Not To Exceed 50 Lbs.
2. Crude Protein Minimum: 16.0%
3. Crude Fat Minimum: 6.0%
4. Crude Fiber Maximum: 5.5%

3.2.24 MILLET, WHITE BIRD SEED

50 Lbs. Bag

3.2.25 OMNIVORE DIET, DRY, 30 lb. BAG

1. Manufactured by HMS (No substitutes)
2. Ached In Multi-Walled Bag
3. Crude Protein Minimum: 23.0%
4. Crude Fat Minimum: 4.0%
5. Crude Fiber Maximum: 7.0%
6. Moisture Maximum: 12.0%
7. INGREDIENTS: Ground corn, soybean meal and bone meal, soy hulls, dehy, alfalfa meal 17%, wheat middlings, (preserved beet pulp, sucrose, animal fat with BHA & citric acid), dried eggs, brewer's yeast.

3.2.26 RAISINS

1. 100% Natural No Preservatives

3.2.27 OSTRIGRO PURINA

1. Dry In 50 Lbs. Multi-Walled Bags
2. Crude Protein: 16% minimum
3. Crude Fat: 1.5% minimum
4. Crude Fiber: 17% maximum
5. Calcium: 9% minimum
6. Calcium: 1.4% maximum
7. Phosphorus: .5% minimum
8. Salt: .3% minimum
9. Salt: .6% maximum

3.2.28 ROLLED OATS

50 Lbs. Bag

3.2.29 ALFALFA CUBES (MINI)

50 Lbs. Bag

3.2.30 MAZURI GAME BIRD BREEDER

1. 40 Lbs. Per Bag.
2. Micro Mix, No Substitutes
3. Crude Protein: 20.0% minimum
4. Crude Fat: 2.5% minimum
5. Crude Fiber: 7.0% maximum

3.2.31 HI-FIBER PRIMATE DIET

1. 25 LBS Per Bag
2. Manufactured by HMS
3. No Substitutes
4. Crude Protein: 23% minimum
5. Crude Fat: 5% minimum
6. Crude Fiber: 10% maximum

3.2.32 TEKLAD GORILLA DIET 7773

1. Manufactured by Harlan
2. No Substitutes
3. Dry Biscuit Packed in 22 lb. Multi-Walled Bags
4. Protein: 16% minimum
5. Fat: 4% minimum
6. Fiber: 8% maximum

3.2.33 MAZURI ZULIFE SOFT BILLED DIET

1. No Substitutes
2. Packed in 15lbs
3. Crude Protein: 20% minimum
4. Crude Fat: 8% minimum
5. Crude Fiber: 5% maximum
6. Ash: 7% maximum

3.2.34 GAME BIRD 20 NUTRENA CRUMBLES

1. No Substitutes
2. 50 Lb. Bag
3. Crude Protein: 20% minimum
4. Crude Fat: 2.5% minimum
5. Crude Fiber: 7% maximum
6. Calcium: 2.3% minimum
7. Calcium: 3.3% maximum
8. Phosphorus: .8% minimum
9. Iodine: .00008% minimum
10. Salt: 4% minimum
11. Salt: 1% maximum
12. Ingredients: animal protein products, plant protein products, forage products, grain products, processed grain by-products, ethoxyquin (preservative), vitamin B-12 supplement, riboflavin D-activated supplement, vitamin A supplement, animal sterol choline, chloride (source of vitamin D-3), vitamin E supplement, niacin supplement, thiamin, biotin.

3.2.35 AQUAMAX GROWER 500

1. No Substitutes,
2. Protein: 41.3%
3. Fat (Min): 12%
4. Fiber (Max): 4%
5. Calcium (Min): 1.65%
6. Calcium (Max): 2.15%
7. Phosphorus: 1.10%

3.2.36 KARO LIGHT CORN SYRUP

1. Packed in 1 gallon jugs, 4 gals/case
2. Calories: 60 grams
3. Protein: 0 grams
4. Carbohydrate: 15 grams
5. Fat: 0 grams
6. Sodium: (145 MG/TSP) 30 milligrams
7. Ingredients: light corn syrup with high fructose corn syrup, salt, vanilla Nutrition information per 1 tablespoon (20 grams)

3.2.37 MARMOSET DIET ZUPREEM-BRAND

1. No Substitutes
2. Pack in 440g Can, 24 Cans to a Case
3. Calcium (min): 0.2%
4. Phosphorus (min): 0.2%
5. Phosphorus (min): 0.2%
6. Crude Fat (min): 2.5%
7. Crude Fiber (max): 1.5%
8. Moisture (max):61%
9. Ash (MAX): 3.00%
10. Vitamin D3: 4000 I.S.P. UNITS/LB

3.2.38 PRIMATE DIET ZUPREEM-BRAND

1. No Substitutes
2. Pack in 440g cans; 24 Cans To A Case
3. Calcium (min): 0.2%
4. Phosphorus (min): 0.2%
5. Crude Fat (min): 2.5%
6. Crude Fiber (max): 1.5%
7. Moisture (max):61%
8. Ash(max):3.0%
9. Vitamin D3: 400 I.S.P. UNITS/LB

3.2.39 CRACKED CORN

50 Lbs. Bag

3.2.40 MAZURI WATERFOWL STARTER

1. No Substitutes
2. 50 Lbs. Bag
3. Crude protein Minimum: 20.0%
4. Crude fat Minimum: 3.0%
5. Crude fiber Maximum: 6.5%
6. Ash Maximum: 7.0%
7. Added Minerals Maximum: 3.0%
8. INGREDIENTS: Ground wheat, wheat middlings, soybean meal, ground oats, fish meal, ground yellow corn, brewers dried yeast, soybean oil, calcium carbonate, dicalcium phosphate, vitamin A supplement, ethoxyquin (a preservative), biotin, vitamin B-12 supplement

3.2.41 MAZURI FLAMINGO COMPLETE

1. No Substitutes
2. 50 Lbs. Bag
3. Crude Protein Minimum: 19.0%

4. Crude Fat Minimum: 5.0%
5. Crude Fiber Maximum: 4.0%
6. Ash Maximum: 6.5%
7. Added Minerals Maximum: 3.0%
8. **INGREDIENTS:** Ground yellow corn, ground wheat, wheat middling, fish meal, soybean meal, meat and bone meal, brewers dried yeast, soybean oil, blood meal, ethoxyquin (a preservative), vitamin B-12 supplement, dicalcium phosphate, riboflavin supplement, vitamin A supplement, vitamin E supplement, choline chloride, ascorbic acid, vitamin D-3 supplement, magnesium oxide, thiamin.

3.2.42 MAZURI FLAMINGO BREEDER

1. No Substitutes
2. 50 lbs. Bag
3. Crude Protein Minimum: 34.0%
4. Crude Fat Minimum: 5.0%
5. Crude Fiber Maximum: 7.0%
6. Ash Maximum: 12.0%
7. Added Minerals Maximum: 3.5%
8. **INGREDIENTS:** Alfalfa meal, ground wheat, corn gluten, fish meal, meat and bone meal, brewers dried yeast, wheat flour, calcium carbonate animal fat preserved with ethoxyquin (a preservative), vitamin B-12 supplement, riboflavin supplement, Vitamin A supplement Vitamin E supplement, cholin chloride, ascorbic acid, potassium chloride, vitamin D-3 supplement, L-lysine, magnesium oxide, monosodium glutamate.

3.2.43 VIONATE - Vitamin Mineral Powder for Pets

"No Substitutes; Manufactured By: Gimborn Pet Specialties"

Vitamin A:	220,000 IU/kg
Vitamin D3:	22,000 IU/kg
Vitamin B1:	39.6 mg/kg
Vitamin B2:	79.2 mg/kg
Vitamin B6:	9.98 mg/kg
Vitamin B12:	0.15 mg/kg
Calcium pantothenate:	110 mg/kg
Niacin:	275 mg/kg
Folic Acid:	2.2 mg/kg
Choline Chloride:	5,720 mg/kg
Ascoribe acid:	2,494.8 mg/kg
Vitamin E:	119.9 IU/kg
Calcium (min):	9.50%
Calcium (max):	11.40%
Phosphorous:	4.79%
Salt (min):	0.50%
Salt (max)	1.50%

Ingredients: degermed corn meal; dibasic, calcium phosphate; calcium carbonate; salt (sodium chloride); ferrous carbonate; magnesium oxide; niacin; calcium pantothenate; riboflavin; BHT as a preservative; di-atocopheryl acetate; vitamin A palmitate; thiamine monoitrate; manganous oxide; cupric sulfate; calcium iodate; pyridoxine, hydrochloride; cobalt carbonate; folic acid; D-activated animal sterol (source of vitamin D3); cyanocobalamin (a source of vitamin B12).

3.2.44 FROZEN DAY OLD HATCHED CHICKS

Flock Must Be Certified Salmonella Free

3.2.45 FROZEN MICE (VARYING SIZES >13g)

1. Must be euthanized humanely
2. Must not demonstrate poor hair or skin quality
3. No apparent defects (e.g. tumors) 1 gal container, 4 gallons per case

3.2.46 FROZEN MICE HOPPER SIZE (8-13 g)

1. Must be euthanized humanely
2. Must not demonstrate poor hair or skin quality
3. No apparent defects (e.g. tumors)

3.2.47 FROZEN MICE PINKIE SIZE (1-3g; NO FUR)

1. Must be euthanized humanely
2. Must not demonstrate poor hair or skin quality
3. No apparent defects (e.g. tumors)

3.2.48 FROZEN MICE FUZZY SIZE (4-7g; PEACH FUZZ ONLY)

1. Must be euthanized humanely
