Description of Project/Bid: Miami-Dade County continues to find avenues to improve our traffic flow county-wide. One of the means to achieve this goal is through the improvement of traffic signals via upgraded technology. The approval of this bid waiver will enable the Department of Transportation and Public Works' Traffic Signs and Signals Division the opportunity to test the performance of a Model 2070LX Advance Transportation Controller via a pilot-scale evaluation made a reality through the procurement of ten (10) Econolite Model 2070LX Controllers and supporting hardware and software from Econolite Control Products, Inc. The devices will be installed by County staff in the intersections located at NW 36 Street from NW 71st Avenue to NW 87th Avenue.
