Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor’s performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Miami-Dade Aviation Department, Fire Rescue Division needs to purchase and install “no smoke” diesel exhaust filtration systems on seven (7) Aircraft Rescue and Fire Fighting vehicles (ARFF). The system must be mounted directly onto each ARFF, for the purpose of decreasing the amount of soot and other hazardous particulates emitted by diesel engines on startup. The filters will greatly reduce department personnel’s exposure to diesel exhaust, providing protection from harmful gases while also diminishing hazardous pollutants to within NIOSH and OSHA permissible exposure limits.
