

Weatherization Works in Florida

NOW ACCEPTING APPLICATIONS!

The Miami-Dade County Community Action and Human Services Department is currently **accepting applications for its 2017 – 2018 Weatherization Assistance Program**. The Weatherization Assistance Program is designed to assist Miami-Dade County Homeowners with improving the air quality in their home. Required measures include the replacement and/or installation of the three major components: Energy Recovery Ventilators (ERVs), Bathroom Exhaust Fans, and Kitchen Exhaust Fans. **Applications are based on a first-come, first-served basis so apply now!**

BENEFITS:

Reduces Home Energy Costs – Lowers the load on cooling/heating systems (HVAC), saving residents' money!

Bathroom Exhaust Fans – Rids air of excess moisture, humidity, odors and other pollutants, creating a healthier environment!

Kitchen Exhaust Fans – Removes dangerous airborne grease, combustion products, fumes, smoke, odors, heat and steam from the air, cleaning the air quality in your home!

Energy Recovery Ventilators – Replaces warm stale air inside the residence with fresh, filtered, and pre-cooled air from the outdoors; Assists in maintaining comfortable indoor humidity levels!
