

# Transportation

## Mission

To provide a seamless, efficient, intermodal transportation system that enhances mobility throughout our neighborhoods and region, and expedites domestic and international commerce.

## How We Rated

### Number of mass transit boardings

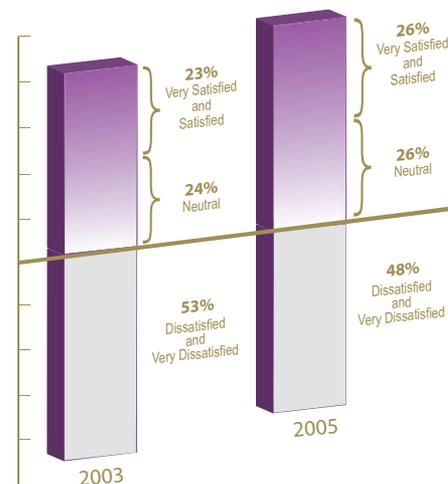

Bus ridership has increased by nearly **20 percent** since 2003.

- When asked which transit services needed the most improvement, residents rated the frequency of bus service, bus routes and feeling safe at train stops as the top areas.
- **Fifty-seven percent** of those surveyed said they were very satisfied/satisfied with the reliability of train service and **54 percent** with frequency.
- **Forty-one percent** of those surveyed said they were very satisfied/satisfied with the cleanliness of buses, **30 percent** with reliability and **24 percent** with the frequency of bus services.

### Management of traffic flow

When asked about traffic flow management, **26 percent** of those surveyed were very satisfied/satisfied. Similarly, when asked about traffic signal synchronization during peak hours, **28 percent** of those surveyed were very satisfied/satisfied.
