

MANAGING MOBILITY

WE'RE TAKING STEPS TOWARD A NEW ERA OF TRANSPORTATION...

New 60-foot hybrid buses, equipped with Wi-Fi and carrying up to 100 passengers along some of the County's most congested corridors.

Buses on Kendall Drive to be integrated with the County's traffic management system providing out-of-schedule buses with green light priority.

Two new routes providing express service from Broward County to the Civic Center area, saving commuters time and money.

New GPS real-time tracking for Coral Way routes.
