

NEW TRANSIT FARES EFFECTIVE OCT. 1, 2008

Fares have not kept pace with rising operating, maintenance and fuel costs. To keep up with rising operating costs, Miami-Dade Transit will increase its fares on October 1, 2008. Although adjustments will continue to be made to operate more efficiently, the fare increase will enable MDT to provide the highest level of service possible to our valued transit customers.

Today's record-high gas prices make using transit the best bargain. Not only do commuters save at the pump, but also benefit from less stress and less wear and tear on their vehicles.

When businesses join the Corporate Discount Program, employees pay less for their monthly Metropass and parking at Metrorail stations. Find out how easy it is to join our program. For complete details, send an email to ccelestin@miamidade.gov or call 786-469-5558.
