

SECTION 01740**PERMITS****PART 1 GENERAL**

1.01 SCOPE OF WORK

- A. Where MDWASD has obtained various permits for this Project, copies will be appended at the rear of the Specifications.
- B. The Contractor shall be familiar with, and comply with, all requirements of these permits. All other necessary permits shall be obtained by the Contractor and be paid for as specified below in 1.01, G.
- C. Unless otherwise specifically stated elsewhere in the Contract Documents, Supply Plans and Calculations for work not designed by MDWASD that are preponderantly of a structural nature shall be signed and sealed by a Professional Engineer registered in the State of Florida as stated in the Florida Building Code; Section 104.2.1, 104.2.2; and Section 202 which each read as follows:
 - 1. All information, Plans, Specifications and accompanying data shall bear the name and signature of the person responsible for the design.
 - 2. Design professional: If the design professional is an architect or engineer legally registered under the laws of this state regulating the practice of architecture or engineering, then he/she shall affix their official seal to said Plans, Specifications and accompanying data, as required by Florida Statute.
 - 3. Engineer: A Florida-registered engineer (Section 202).
- D. The Contractor's particular attention is called to any Special Conditions of the permits relating to construction procedures, excavation and backfill requirements, open trench restrictions, turbidity control and all other general and special conditions, including flowable fill and pavement details. In the event any of the conditions of the permits are in conflict with the requirements of these Specifications, the more stringent conditions shall take precedence. The Contractor is to conform to all regulations of the governmental agencies having jurisdiction over this work, whether or not included in the permit.
- E. Any deviations from the Plans, Specifications or permits appended thereto, must first be approved by the Engineer even if approval for the change has been given by the permitting agency.
- F. The Contractor shall assume throughout the life of the Contract all obligations and responsibilities imposed on MDWASD or other County departments as permittee of the above-mentioned permits. All expenses necessary for compliance with the

regulations and requirements of each permitting agency and its permit shall be borne by the Contractor, and shall be included in the overall bid price.

- G. The cost of any fees such as impact fees, inspection fees, etc. and the cost of all required permits shall be borne by MDWASD. The Contractor shall pay the required fees, obtain the permit(s) and then upon submission of proof of cost to MDWASD, be reimbursed for said cost out of the Approved Permit Fee Reimbursement Item. This shall apply only to required permits and fees. Permits obtained or fees paid for the advantage of the Contractor or non-required permits obtained for whatever reason shall not be reimbursed. The necessity or non-necessity of a permit or fee shall be determined by the Engineer whose word shall be final. As specified in the paragraph above, all costs of compliance with the permit(s) shall be borne by the Contractor and included in the bid price.
- H. All surveying required by the Project permits shall be done by the Contractor's Florida Registered Surveyors and Mapper. This includes staking out limits of construction, maintaining baselines and preparing monthly as-builts.
