

# PHOTO CONTEST GUIDELINES

\*2018 Third Place Winner\*

Miami-Dade County residents are encouraged to submit a high-resolution photo that demonstrates how drinking water is essential to their daily lives.

The photos must be submitted by using the hashtag #miamidadewater no later than May 1, 2019. The winning photos will be announced during Drinking Water Week 2019 (May 5-11).

Top three winners will receive a water conservation kit and could be featured in Miami-Dade Water and Sewer advertisements and campaigns! In addition to this, the first place winner will also receive a rain barrel.

Participants will be contacted via their social media accounts, and required to sign a photo release form. Only one photo will be accepted per account.

**PHOTO SUBMISSION:  
MARCH 25 - MAY 1**

## 2019 JUDGING CATEGORIES:

The photo entries will be judged on the following criteria:

- **Relevance to the Theme** - Does the photo demonstrate how drinking water is essential to daily life? Does the photo illustrate a compelling story?
- **Originality** - Is the photo original, unique, and creative?
- **Photo Quality** - Is the photo clear and in-focus?
