

Pump Station Improvement Program

Commission District 13 Projects
Commissioner Esteban Bovo, Jr.

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than six (6) million dollars in infrastructure upgrades in District 13.
- Upgrades to nine (9) sanitary sewer pump stations, of which one (1) will be implemented within the next 18 months.
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
