

Pump Station Improvement Program

Commission District 4 Projects
Commissioner Sally Heyman

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than nine (9) million dollars in infrastructure upgrades in District 4
- Upgrades will be made to ten (10) sanitary sewer pump stations, seven (7) of which have already been completed
- Two (2) new wastewater force main, one (1) of which has already been completed
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
