

FACT SHEET

Pump Station Upgrade

BACKGROUND

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of America, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County's wastewater collection system.

PROJECTED SCHEDULE

Construction will begin in August 2016, with an expected duration of five (5) months.

PROJECT AREA

Consent Decree Project 5.16 (2)

Pump Station #0437 (19091 NW 62 Avenue) upgrades include:

- Installation of new dry pit submersible pumps
- Replacement of 100 feet of 10-inch wastewater line to the street connection
- Installation of new electrical equipment
