What is the purpose of a Pre-Application Meeting?

- To familiarize County agencies with a potential application, and to familiarize the potential applicant with the requirements of the Code, the Comprehensive Development Master Plan and other relevant criteria and procedures.
- A pre-application meeting is not intended to be an exhaustive review of all potential issues.
- A pre-application meeting does not bind or preclude the County from enforcing all applicable regulations or from applying regulations in a manner differently than may have been indicated in the pre-application meeting.
- Intended to be informational only, and is not an approval in any manner of your proposal.

A pre-application fee will be assessed; \$250.00 for all applications other than Urban Center or Developmental Impact Committee applications which are \$500.00.
2. The County will schedule and conduct a pre-application meeting after receipt of your request. You will receive an email with meeting details and a link to pay the required fee*.

Some key things to remember:

As you prepare for the pre-application meeting, keep in mind the following:

- The property you are investigating may have private obligations, such as covenants, conditions and restrictions to which the County is not a party and does not consider in its review.
- The more detailed the information submitted for review, the more information staff can provide you on the required type(s) of land use review, more explicit the response can be provided.
- You are required to submit the pre-application meeting report as part of your formal land use application.

***Please note** that 100% of the pre-application fee will be credited towards your formal zoning application if a complete application is submitted less than six (6) months after the pre-application meeting date.
