EMAIL RECEIVED FROM EXTERNAL  
SOURCE

Good morning,

We have been following this bid by Periscope website but they are not with you on time with changes and for this reason we could not coincide with pre bid meetings scheduled. We have some questions to clarify and work in our best proposal.

Will lab testing costs, such as concrete sidewalk testing, be included or will the results supplied by the concrete supplier be accepted?

Will Miami Dade stake out the location of the signs on site per the plans or will we need to include topographical survey?

Is it possible to extend the due date for this bid?

Best regards,

***Have a safe day!***
