**RESPONSE LETTER NO. 1 TO REQUEST FOR INFORMATION**

Project Title: **Intersection Improvements Contract-Multiple Sites**  
Project No.: **20230052 (MCC 7360 Plan)**

**Question from Mr. Maharaj Drishna, David Mancini & Son, Inc., Request for Information dated 5/4/2023, 1:47 PM. Please see attachment.**

QUESTION: 1) Can you please clarify bid item # 334-1-11-103 Speed Table and provide plans for this project.

- 1) Can you please provide measurements as to width, length and height for Speed Table.
- 2) Are there any plans for this project? If so, can you, please provide.

RESPONSE: 1) Speed tables are midblock traffic calming devices that raise the entire wheelbase of a vehicle to reduce its traffic speed. Speed tables are longer than speed humps and flat-topped, with a height of 3–3.5 inches and a length of 22 feet.

- 1) Please see response above. Also, please refer to Standard detail, "Speed Table" provided under Addendum No. 1.
- 2) No, there are no available plans for this project. This project is a work order driven contract. Specific plans will be provided along with the actual work orders. The solicitation documents contain some standard details, along with the construction specifications also with the solicitation and contract documents.

**END OF REQUEST FOR INFORMATION No. 1**
