Project Location:	See the site location on the comments below						
License Requirements:	Primary:	General Engineering; Structural					
Scope of Work:	<p>(Contractor must obtain and submit all permits prior to performing any work). Work under this Contract includes furnishing of all supervision, labor, materials, tools, equipment and performing all operations required to construct the Work in accordance with the Contract Documents.</p> <ul style="list-style-type: none"><li>• Bridge at NW 22nd Avenue over Biscayne Canal Bridge (C-8) – Bridge No. 874030</li><li>• Bridge at NW 67th Avenue over Biscayne Canal Bridge (C-8) – Bridge No. 874360</li></ul> <p>Bridge rehabilitation consists of the installation of Rotation Restrainers Reinforced Concrete Block. Rotation restrainers consist of building up the top ends of the intermediate bridge supports using a reinforced concrete block underneath the sidewalk. The reinforced concrete block is connected to the existing bridge supports by means of mechanical dowels and sized to completely fill the gap between the bottom of sidewalk and the intermediate support. Work will be performed from the water by means of a floating work platform/floating dock/floating barge-type vessel and/or small work skiff. The floating platform/dock/barge will be used for material containment as well as support equipment such as compressor/generator for air/power for minor concrete removal and concrete surface preparation, and material for forming the concrete. Handheld chipping tools will be used to remove concrete and drill dowel holes. All the work for the removal of the concrete, the forming for the new pour and the casting of the concrete will be done from the work platform/dock/barge in the canal. The roadway may be used for delivery of material, such as concrete, and equipment using off-peak, daytime lane closures. The work will require the installation of turbidity barrier in the canal. Existing utilities are to remain in service and unaffected by the work.</p>

## **VERIFICATION OF EMPLOYMENT ELIGIBILITY (E-VERIFY):**

By entering the Contract, the Awarded Bidder becomes obligated to comply with the provisions of Section 448.095, Florida Statute, titled "Verification of Employment Eligibility." This includes but is not limited to utilization of the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all newly hired employees by the Awarded Bidder effective, January 1, 2021, and requiring all Subcontractors to provide an affidavit attesting that the Subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply may lead to termination of this Awarded Bidder, or if a Subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. If this Contract is terminated for a violation of the statute by the Awarded Bidder, the Awarded Bidder may not be awarded a public contract for a period of one year after the date of termination, and the Awarded Bidder may be liable for any additional costs incurred by the County resulting from the termination of the Contract. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.
