Douglas Building
Miami Fl 33146

MIAMI-DADE COUNTY, FLORIDA
REQUEST FOR PRICE QUOTATION (RPQ)
Contract No: MCC 7360 Plan
RPQ No: P12558

INVITATION TO BID

A RPQ has been issued for the work identified below. If you are interested in submitting a bid for this project, please submit your bid via Electronic Bidding, attention to JOSE VILABOY at no later than 8/4/2025 at 10:00 AM. If you have any questions, contact Jose Vilaboy at 786-552-8056.

This RPQ is issued under the terms and conditions of the Miscellaneous Construction Contracts (MCC) Program MCC 7360 Plan.

RPQ DETAILED BREAKDOWN

Bid Due Date:	8/4/2025	Time Due:	10:00 AM	Submitted Via:	Electronic Bidding		
Estimated Value:	\$1,977,530	(excluding Contingencies and Dedicated Allowances)					
Project Name:	UPGRADE OF SEWAGE PUMP STATION No. 0442 AND 6-INCH FORCE MAIN						
Project Location:	20591 NW 30 CT						
License Requirements:	Primary:	General Engineering; Pipe Lines; Pipelines Engineering Contractor; Underground Utility / Excavation					
	Sub:	Paving					
Scope of Work:	<p>(Contractor must obtain and submit all permits prior to performing any work).</p> <p>1.00 SCOPE</p> <p>The project consists of furnishing all materials, labor, and equipment necessary to upgrade Sewage Pump Station No. 0442, including, but not limited to, providing uninterrupted bypass pumping capabilities for the existing pump station flow during all construction times and until the new pump station is completely operational and accepted by the Owner; cutting, filling with flowable fill, capping and abandoning in place the existing 4-inch asbestos-cement (AC) force main; demolition and removal of the existing dry/wet well pump station structure including, but not limited to the following: the existing dry/wet well, pumping equipment and appurtenances, piping and fittings, electrical equipment and conduits, and all other items deemed necessary to be removed; site preparation, clearing and grubbing as necessary; furnishing and installing new valve vault structure including concrete top slab and access hatch; furnishing and installing new wet well structure including concrete top slab with access hatch; furnishing and installing new submersible pumps and related equipment; all pipe, fittings and appurtenances for the new pump station and valve vault including emergency pump out piping connection; furnishing and installing new control panel, electrical service with main disconnect, motor connection box and including concrete slabs and mounting structures; installation of 275 (total) linear feet of primary underground duct bank consisting of 215 linear feet of two (2) 6-inch diameter HDPE "Bore Pipe" (supplied by FPL) using trenchless technology (directional drilling) and 60 linear feet of two (2) 5-inch diameter PVC primary conduit (supplied by Contractor) using open cut trenching installation; coordination with FPL and connection of the new electrical service to the proposed pump station; proposed new pad mounted transformer; site restoration; start up and testing; and other appurtenant and miscellaneous items and work for a complete, satisfactory and functional installation. Pumping Station 0442 is located at 20591 N.W. 30th Court, Miami Gardens, Florida, in Section 33, Township 51 South, Range 41 East, Miami-Dade County, Florida. The project scope also includes furnishing all labor, material and equipment including, but not limited to, furnishing and installing, by directional drilling, 505 linear feet of 6-inch ductile iron (DI) pipe, valves and fittings for sewage force main, constructing automatic air release valve assembly; making a tapping connection to the existing 10-inch DI force main with 10 x 10-inch tapping sleeve and 10-inch tapping valve; perform maintenance of traffic; temporary and permanent paving repairs; restoration of sidewalk; and landscaping restoration together with all other miscellaneous and appurtenant items and work for a complete, functional and satisfactory installation. Installation of 6-inch force main piping shall be accomplished using a combination of trenchless technology (directional drilling) and open-cut trenching to minimize disruption of Buccaneer Park. The project work shall be confined to the limits of the Park property and the easements provided with the use of a single entry/exit pit within these limits for each of the directional drilling operations. Staging areas are required to be coordinated with the City of Miami Gardens and WASD Construction Manager.</p> <p>ER S049191 PCTS 12558</p> <p>The project scope also includes the furnishing all labor, material and equipment including, but not limited to, furnishing and installing 111 linear feet of 8" diameter PVC gravity sanitary sewer pipe and two 4' diameter sanitary sewer manholes and the connection to two existing sanitary sewer manholes. The existing Pump Station # 0442 Receiving Manhole will NOT be replaced as part of the Scope of Work for this project; therefore, cleaning, visual inspection and evaluation of the upstream VCP piping are not required unless ordered by the Engineer at which time the request will be considered a Change Order/Additional Services. The existing Receiving Manhole northeast invert 8" VCP pipe will be removed and the wall penetration shall be modified as indicated. See approved Contract Documents and Construction Drawings for details.</p> <p>The scope of this Work may require the removal of small portions of asbestos and/or lead and/or other hazardous materials from the project site, including but not limited to asbestos-cement (AC) pipes. The removal, transport and disposal of hazardous materials shall be performed by Florida Licensed Asbestos Abatement Contractor (FLAAC) and trained personnel wearing personal protective equipment (PPE). All work involving hazardous materials shall be coordinated with the M-D WASD Asbestos and Industrial Waste Compliance Unit (ALWCU) (Telephone number (786) 552-8578) for evaluation, and do not continue the Work until instructed to proceed by the Engineer. Refer to Technical Specification - General Covenants and Conditions, Section 44.</p> <p>The Department reserves the right to issue the Notice to Proceed (NTP) to the Contractor at any time after the Award Letter has been issued.</p>

Comments:	<p>Pursuant to Section 2-8.10 of the Code of Miami-Dade County, this Contract is subject to a user access fee under the County's User Access Program (UAP) in the amount of two percent (2%). All construction services provided under this contract are subject to the 2% UAP. This fee applies to all Contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity. From every payment made to the Contractor under this contract (including the payment of retainage), the County will deduct the two percent (2%) UAP fee provided in the ordinance and the Contractor will accept such reduced amount as full compensation for any and all deliverables under the contract. The County shall retain the 2% UAP for use by the County to help defray the cost of its procurement program. Contractor participation in this pay request reduction portion of the UAP is mandatory.</p> <p>Provided, however, UAP shall not be applicable for total contract values, inclusive of contingency and allowance accounts, of less than five hundred thousand dollars (\$500,000.00).</p> <p>Bid submission must be electronic, through the Trimble Unity Construct (eBuilder) Bid Portal, with a hard copy sent to WASD postmarked within one (1) business day of the bid submittal date, mailed to WASD [3071 SW 38th Avenue, Suite 107, Miami, FL 33146]</p> <p>The original Bid Security (in the form of a bid bond or cashier's check) MUST be delivered to WASD, at the address above, BEFORE the bids are opened. Failure to deliver the original will result in the bid submission being rejected as non-responsive.</p> <p>Invited bidders should have received an Invitation to Bid with an Invitation Key linked to the Invitee's email address. Upon request, an invitation can be sent to multiple email addresses within the same company. However, if multiple bids are submitted by the same company, ALL submitted bids will be rejected.</p> <p>The bid set includes electronic bid instructions. Training on electronic bid submission is available every Monday from 9 – 10 and every Wednesday from 1 – 2. Email the Contracting Officer or paul.adams@miamidadegov for further information or to schedule training on alternative dates.</p> <p>The RFI cut-off date is five (5) business days prior to the bid due date</p> <p>-----</p> <p>RPQ No: P12558 has a 1.7% SBE – Service goal in the following recommended service/commodity:</p> <ul style="list-style-type: none"> • (NIGP 98852) Landscaping • Sodding Services (NIGP 79050) 						

DISCLOSURE:

- Contractor shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Contractor or its employees, agents, servants, partners principals or subcontractors. Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

The Contractor shall furnish to **Water and Sewer, 3071 SW 38 Avenue, Douglas Building , Miami FL 33146**, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

- A.** Worker's Compensation Insurance for all employees of the Contractor as required by Florida Statute 440.
 - a. If applicable should include coverage required under the U.S. Longshoremen and Harbor Workers' Act (USL&H) and/or Jones Act for any activities on or about navigable water.
- B.** Commercial General Liability in an amount not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate. Miami-Dade County must be shown as an additional insured with respect to this coverage.
- C.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work, in an amount not less than \$1,000,000 combined single limit per occurrence for bodily injury and property damage.

*Under no circumstances are Contractors permitted on the Aviation Department, Aircraft Operating Airside (A.O.A) at Miami International Airport without increasing automobile coverage to \$5 million. Only vehicles owned or leased by a company will be authorized. \$1 million limit applies at all other airports.

VERIFICATION OF EMPLOYMENT ELIGIBILITY (E-VERIFY):

By entering the Contract, the Awarded Bidder becomes obligated to comply with the provisions of Section 448.095, Florida Statute, titled "Verification of Employment Eligibility." This includes but is not limited to utilization of the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all newly hired employees by the Awarded Bidder effective, January 1, 2021, and requiring all Subcontractors to provide an affidavit attesting that the Subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply may lead to termination of this Awarded Bidder, or if a Subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. If this Contract is terminated for a violation of the statute by the Awarded Bidder, the Awarded Bidder may not be awarded a public contract for a period of one year after the date of termination, and the Awarded Bidder may be liable for any additional costs incurred by the County resulting from the termination of the Contract. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.
