	Sub:	Concrete Work					
Scope of Work:	<p>(Contractor must obtain and submit all permits prior to performing any work).</p> <p>PURPOSE The purpose of this project is to expand Miami-Dade County's (County) used oil collection system by installing new systems at three (3) designated Neighborhood Trash & Recycling Centers (TRC) to enhance environmental sustainability and to allow additional locations for public service access.</p> <p>PROJECT LOCATIONS (1) West Little River TRC, 1830 NW 79th Street, Miami, FL, 33147 (2) Eureka Drive TRC, 9401 SW 184th St, Palmetto Bay, FL, 33157 (3) West Perrine TRC, 16651 SW 107th Ave, Miami, FL, 33157</p> <p>SCOPE OF WORK BY LOCATION West Little River TRC: The used oil container shall be permanently located in the parking lot. The project consists of installation of used motor oil collection system at the trash recycling center, which includes but is not limited to: <ul style="list-style-type: none"> • Clearing of site as necessary • Construction of temporary traffic barriers • Installation of 12' length, 19' wide, 3.5' depth of concrete slab foundation for housing structure and steps • Installation of housing structure, used motor oil collection tanks, traffic bollards, and one (1) parking space Eureka Drive TRC: The used oil container shall be permanently located in the striped area north of the guard house. The project consists of installation of used motor oil collection system at the trash recycling center, which includes but is not limited to: <ul style="list-style-type: none"> • Clearing of site as necessary • Construction of temporary traffic barriers • Installation of 10' length, 12' wide, 0.5' depth of concrete slab foundation for housing structure • Installation of housing structure, used motor oil collection tanks, traffic bollards, and two (2) parking spaces West Perrine TRC: The used oil container shall be permanently located in the parking lot. The project consists of installation of used motor oil collection system at the trash recycling center, which includes but is not limited to: <ul style="list-style-type: none"> • Clearing of site as necessary • Construction of temporary traffic barriers • Installation of 10' length, 12' wide, 0.5' depth of concrete slab foundation for housing structure • Installation of housing structure, used motor oil collection tanks, steel traffic bollards, and one (1) </p>						

parking space

GENERAL REQUIREMENTS

Contractor shall deliver the Work fully completed, with all used motor oil collection systems installed and positioned in their final, permanent location, and ready for continuous service. The Work shall include, without limitation, all necessary repairs, testing, permitting, cleanup, replacements, and any restoration required as a result of damages caused during construction. Prior to starting any work, Contractor shall coordinate with DSWM staff regarding the locations of the proposed used oil containers, equipment staging areas, road crossings, and any other areas required to perform the work. All disturbed areas shall be restored to pre-construction conditions, grades, seeded, sodded, and/or mulched as required.

ADDITIONAL REQUIREMENTS

Work Days: Allowable work times shall be Monday through Friday between the hours of 7:00 A.M. and 5:00 P.M. Contractor shall not work on holidays or any of the facility's non-operating days.

Project Duration/Sequence: The Contract Time shall commence upon issuance of the Notice to Proceed (NTP), at which point Contractor is required to begin performance of the work and fulfill all obligations under the Contract Documents.

The Project has been designed for sequential completion across the three (3) locations and shall have one (1) Substantial Completion date for all three (3) locations. However, the awarded Contractor may perform the Work at multiple locations concurrently, provided that such simultaneous operations do not interfere with the overall Project progress and shall be coordinated in advance with the Owner.

If the Contractor completes any of the three (3) locations projects early, they may submit a written request to the Owner for acknowledgement of Substantial Completion for that specific location. Approval of such request shall be at the sole discretion of the Owner and shall not relieve the Contractor of its obligation to achieve Final Completion for all locations within the Contract Time.

- Substantial Completion is defined as the point at which 90% of the Work has been completed, in accordance with the Contract requirements.
- Final Completion shall occur within eighteen (18) calendar days following the substantial completion date.
- The total duration of construction, including all three (3) locations, shall not exceed 547 calendar days from the date of the Notice to Proceed.

Comments:	<p>1. DEADLINE FOR RECEIPT OF RFI QUESTIONS: 01/21/2026 at 4:00 PM EST. Submit Request for Information (RFI's) to Gibly.NunezDavila@miamidade.gov and Primo@miamidade.gov with copy to clerkbcc@miamidade.gov.</p> <p>2. This Request for Price Quotation (RPQ) is for a Miscellaneous Construction Contract. All terms and conditions of the MCC Program are a part of this contract and will be enforced.</p> <p>3. Unless specified in the bid form, all applicable permit fees must be paid by the selected contractor.</p> <p>4. In the event the lowest responsible and responsive bid amount exceeds the project's cost estimate, Miami Dade County may hold a meeting to request further cost reductions to align the bid amount with the project's cost estimate. However, Miami Dade County will not engage in any type of negotiations or modifications of the original scope, terms or conditions other than the price reduction.</p> <p>5. All terms and conditions of the MCC Program are part of this contract and will be enforced.</p> <p>6. Refer to Article 2.14 below of the MCC Program to further clarify the license requirements:</p> <p>2.14 LICENSE QUALIFICATIONS OF CONTRACTORS:</p> <p>A) All Contractors must hold a current valid State of Florida Certified Building Contractor License, as required by the Florida Building Code, for the types of Work covered by the Contract at the time of RPQ submission and maintain the same throughout the duration of the project. The certificate(s) is to be issued by: The State of Florida Construction Industry Licensing Board, pursuant to the provisions of Section 489.115 of the Florida Statute and registered with the Miami-Dade County Building Department or, The Dade County Construction Trades Qualifying Board, pursuant to the provisions of Section 10-3(a) of the County Code. Holders of Miami-Dade County Certificates of Competency must also hold Certificates of Registration issued by the State of Florida Construction Licensing Board, pursuant to the provisions of Section 489.115 or Section 489.117 of the Florida Statutes.</p> <p>B) Proof of such Certificate(s) must be submitted at the time of initial response and maintained current throughout the contract period. The County may request proof of continued certification at any time during the contract period. Failure to provide such proof within five (5) working days from notification by the County shall result in the removal from the contract and the rejection of any current or future RPQ bid submissions.</p> <p>C) Subsequent to the commencement of the Contract, the County may require specific qualifications based on a Project's scope of work. Such requirements will be included within the RPQ.</p> <p>7. Prime Contractor must be able to pull master permit.</p> <p>8. Per Florida Statute 255.078, retainage will be held for construction project greater than \$200,000.</p> <p>9. Unless specified in the bid form, all applicable permit fees must be paid by selected contractor.</p> <p>10. Inspector General fees are applicable to this project.</p>				

DISCLOSURE:

- Contractor shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Contractor or its employees, agents, servants, partners principals or subcontractors. Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

The Contractor shall furnish to **Department of Solid Waste Management, Dr. Martin Luther King Jr. Office Plaza, 2525 NW 62 Street, Suite 5100, Miami FL 33147**, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

- A.** Worker's Compensation Insurance for all employees of the Contractor as required by Florida Statute 440.
 - a. If applicable should include coverage required under the U.S. Longshoremen and Harbor Workers' Act (USL&H) and/or Jones Act for any activities on or about navigable water.
- B.** Commercial General Liability in an amount not less than \$300,000 per occurrence, and \$600,000 in the aggregate. Miami-Dade County must be shown as an additional insured with respect to this coverage.
- C.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work, in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage.

*Under no circumstances are Contractors permitted on the Aviation Department, Aircraft Operating Airside (A.O.A) at Miami International Airport without increasing automobile coverage to \$5 million. Only vehicles owned or leased by a company will be authorized. \$1 million limit applies at all other airports.

VERIFICATION OF EMPLOYMENT ELIGIBILITY (E-VERIFY):

By entering the Contract, the Awarded Bidder becomes obligated to comply with the provisions of Section 448.095, Florida Statute, titled "Verification of Employment Eligibility." This includes but is not limited to utilization of the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all newly hired employees by the Awarded Bidder effective, January 1, 2021, and requiring all Subcontractors to provide an affidavit attesting that the Subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply may lead to termination of this Awarded Bidder, or if a Subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. If this Contract is terminated for a violation of the statute by the Awarded Bidder, the Awarded Bidder may not be awarded a public contract for a period of one year after the date of termination, and the Awarded Bidder may be liable for any additional costs incurred by the County resulting from the termination of the Contract. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.
