MIAMI-DADE COUNTY, FLORIDA
REQUEST FOR PRICE QUOTATION (RPQ)
Contract No: MCC 7360 Plan
RPQ No: P20340R

INVITATION TO BID

A RPQ has been issued for the work identified below. If you are interested in submitting a bid for this project, please submit your bid via Electronic Bidding, attention to Cristian Garcia at no later than 3/10/2026 at 10:00 AM. If you have any questions, contact Virginia Walsh at 7865528216.

This RPQ is issued under the terms and conditions of the Miscellaneous Construction Contracts (MCC) Program MCC 7360 Plan.

RPQ DETAILED BREAKDOWN

Bid Due Date:	3/10/2026	Time Due:	10:00 AM	Submitted Via:	Electronic Bidding		
Estimated Value:	\$1,721,442 (excluding Contingencies and Dedicated Allowances)						
Project Name:	Injection Well Asset Program						
Project Location:	Various Locations						
License Requirements:	Primary:	Water Well Contractor					
Scope of Work:	<p>(Contractor must obtain and submit all permits prior to performing any work). The project consist of furnishing all labor, materials and equipment to perform mechanical integrity testing (MIT) of nine (9) existing injection wells at the Central District Wastewater Treatment Plant (CDWWTP) and one (1) existing injection well at the South Miami Heights Water Treatment Plant (SMHWTP), complying with security restrictions; and all associated and appurtenant items and WORK as specified herein and as required by Miami-Dade Water and Sewer Department (WASD) during the course of the contract. The WORK includes suppressing the artesian flow of the wells with a food grade salt brine, removing the existing well head, scrubbing the 24-inch outside diameter (OD) seamless steel final casings with a steel wire brush, and scrubbing the 25.96-inch and/or 18.18-inch OD Fiberglass Reinforced Plastic (FRP) final casings with a nylon bristle brush (only for the three [3] Industrial Injection Wells [CDIIW-1 and CDIIW-2 at CDWWTP, and SMHIIW-1B at SMHWTP]), flushing with potable water, performing a high-resolution video survey log (VSL) of the entire well to be able to see the casing and tubing joints as well as the open hole section, performing a pressure test up to 150 pounds per square inch (psi) on each well final casing, shutting in the well for a twelve (12) hour period, then performing high-resolution temperature (HRT) and conductivity logs, performing the radioactive tracer survey (RTS) using medical grade Iodine 131 (I-131), rebuilding the well head providing new 6-inch 100% gate valves (if necessary), replacing all gaskets, nuts, bolts, and painting all above ground piping. The CONTRACTOR must also meet all the security requirements, which now include having all personnel who will be on-site fingerprinted. The WORK shall be performed first at the Department's CDWWTP located at 3989 Rickenbacker Causeway Miami, Florida 33149, Section 16, Township 54, Range 42, and after completion thereof, at the SMHWTP property located at 20900 S.W. 117 Avenue Miami, Florida 33177, Section 07, Township 56, Range 40.</p> <p>1.01 CONTRACTOR'S AND DRILLER'S QUALIFICATIONS</p> <p>Award of this Contract will be made to the responsive, responsible bidder who submits an offer on all items listed in the Solicitation and whose offer represent the lowest price when all items are added in the aggregate. If a bidder fails to submit an offer on all items, its overall offer will be rejected. The County will award the total Contract to a single CONTRACTOR who has complied with these requirements.</p> <p>Qualifications of Bidders</p>						

1. In order to aid the County in making an award of the Contract, the Bidder shall submit, with his Offer, written evidence of its qualifications and ability to begin construction, to perform in a satisfactory manner, and to complete all of the WORK covered by the Contract within the time specified in the Solicitation. Bidder shall submit proof of at least three (3) similar projects within the past ten (10) years involving MITs of Florida Department of Environmental Protection (FDEP) Underground Injection Control (UIC) permitted injection wells of 18-inch to 24-inch OD final steel casing and to a depth of at least 2,500 feet below land surface (bls). Specialized testing activities including inflatable packer installation, casing pressure testing, VSL and HRT logging, RTS, and water quality sampling must have been completed to demonstrate relevant experience. Failure to submit this information with the bid may be cause for the Bidder to be deemed non-responsive.

Please look at section 1.01 for the complete qualifications.

Comments:

Pursuant to Section 2-8.10 of the Code of Miami-Dade County, this Contract is subject to a user access fee under the County's User Access Program (UAP) in the amount of two percent (2%). All construction services provided under this contract are subject to the 2% UAP. This fee applies to all Contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity. From every payment made to the Contractor under this contract (including the payment of retainage), the County will deduct the two percent (2%) UAP fee provided in the ordinance and the Contractor will accept such reduced amount as full compensation for any and all deliverables under the contract. The County shall retain the 2% UAP for use by the County to help defray the cost of its procurement program. Contractor participation in this pay request reduction portion of the UAP is mandatory.

Provided, however, UAP shall not be applicable for total contract values, inclusive of contingency and allowance accounts, of less than five hundred thousand dollars (\$500,000.00).

Bid submission must be electronic, through the Trimble Unity Construct (eBuilder) Bid Portal, with a hard copy sent to WASD postmarked within one (1) business day of the bid submittal date, mailed to WASD [3071 SW 38th Avenue, Suite 107, Miami, FL 33146]

The original Bid Security (in the form of a bid bond or cashier's check) MUST be delivered to

WASD, at the address above, BEFORE the bids are opened. Failure to deliver the original will result in the bid submission being rejected as non-responsive.

Invited bidders should have received an Invitation to Bid with an Invitation Key linked to the Invitee's email address. Upon request, an invitation can be sent to multiple email addresses within the same company. However, if multiple bids are submitted by the same company, ALL submitted bids will be rejected.

The bid set includes electronic bid instructions. Training on electronic bid submission is available every Monday from 9 – 10 and every Wednesday from 1 – 2. Email the Contracting Officer or paul.adams@miamidade.gov for further information or to schedule training on alternative dates.

The RFI cut-off date is five (5) business days prior to the bid due date

P20340R processed as SBE – No Measure

DISCLOSURE:

- Contractor shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Contractor or its employees, agents, servants, partners principals or subcontractors. Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

The Contractor shall furnish to **Water and Sewer, Douglas Building, 3071 SW 38 Avenue, Miami FL 33146**, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

- A.** Worker's Compensation Insurance for all employees of the Contractor as required by Florida Statute 440.
 - a. If applicable should include coverage required under the U.S. Longshoremen and Harbor Workers' Act (USL&H) and/or Jones Act for any activities on or about navigable water.
- B.** Commercial General Liability in an amount not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate. Miami-Dade County must be shown as an additional insured with respect to this coverage.
- C.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work, in an amount not less than \$1,000,000 combined single limit per occurrence for bodily injury and property damage.

*Under no circumstances are Contractors permitted on the Aviation Department, Aircraft Operating Airside (A.O.A) at Miami International Airport without increasing automobile coverage to \$5 million. Only vehicles owned or leased by a company will be authorized. \$1 million limit applies at all other airports.

VERIFICATION OF EMPLOYMENT ELIGIBILITY (E-VERIFY):

By entering the Contract, the Awarded Bidder becomes obligated to comply with the provisions of Section 448.095, Florida Statute, titled "Verification of Employment Eligibility." This includes but is not limited to utilization of the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all newly hired employees by the Awarded Bidder effective, January 1, 2021, and requiring all Subcontractors to provide an affidavit attesting that the Subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply may lead to termination of this Awarded Bidder, or if a Subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. If this Contract is terminated for a violation of the statute by the Awarded Bidder, the Awarded Bidder may not be awarded a public contract for a period of one year after the date of termination, and the Awarded Bidder may be liable for any additional costs incurred by the County resulting from the termination of the Contract. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.
