TOTAL BASE BID \$ _____

Pay Items Notes:

- **Pay Item No. 1:** Payment for this item will be made incrementally based on the percentage of work completed. For each invoicing period, the Contractor will submit a bill reflecting the percentage of work completed during that period. This percentage will be calculated by considering the lengths of rail (320') that have been removed and replaced (as outlined in Pay Item No. 2) out of the total 330 lengths for that invoicing period.

REVISED BID FORM - AS PER ADDENDUM NO.3

- **Pay Item No. 2:** The Contractor will be eligible to invoice for a CWR unit (320') during the invoicing period only if that specific quantity of CWR has been removed and replaced. The removal of the existing rail specifically includes unclipping it and displacing it from the plinth pad, in addition to other related tasks. Replacement of the rail involves de-stressing, thermite welding, grinding, clipping, and ensuring the new CWR conforms to DTPW's Safety Standards for Inspection and Maintenance of Metrorail Tracks.
- **Pay Item No. 3:** The Contractor will be eligible to invoice for the disposal of existing running rail. Disposal covers hauling the removed rail away from Miami-Dade County property. For each invoicing period, the Contractor will submit a bill reflecting the percentage of rail disposed during that period.
- **Pay Item No. 4:** This pay item is reserved for use solely in the event that DTPW determines additional transportation of CWR onto the guideway is necessary. A dedicated budget has been allocated by DTPW to cover costs associated with this item. The unit price provided by the bidder on the bid form will represent the cost per mile for transporting eight (8) lengths of new CWR (320') from Palmetto Yard to the mainline. The Contractor will be reimbursed for the trip, for the miles traveled, rounded to the nearest tenth, from Palmetto Yard to the drop-off point on the mainline. The unit cost should encompass the Contractor's labor, tools and equipment expenses necessary to complete this task. The unit price submitted on the Bid Form should be the unit cost of one (1) gross mile.

(Instructions: The spaces provided in the Total Price Column(s) for the Bid Line Item(s) must be filled in and no spaces left blank. The sum of the Bid Line Items must represent your Base Bid Total. Failure to submit a complete and accurate Bid Form may result in your bid found non-responsive.)

A TEN PERCENT (10%) CONTINGENCY ALLOWANCE AND OTHER DEDICATED ALLOWANCES AS REQUIRED WILL BE ADDED TO THE BASE BID TOTAL AS STIPULATED IN THE SPECIAL PROVISIONS.
