The vendor shall also provide service to repair damaged barricades and replace batteries within one (1) calendar day after the date the County department orders the service. All deliveries shall be made in accordance with good commercial practice and shall be adhered to by the awarded vendors; except in such cases where the delivery will be delayed due to acts of God, strikes, or other causes beyond the control of the vendor. In these cases, the vendor shall notify the County of the delays in advance of the delivery date so that a revised delivery schedule can be negotiated.

Should an awarded vendor is awarded fail to deliver within one (1) calendar day after the date that the County department orders the items, the County reserves the right to cancel the order and place the order with a back up vendor and/ or cancel the contract.

**2.17.2 Emergency Delivery**

The vendor shall provide 24 hours, 7 days a week emergency service to the County under the contract. In circumstances requiring emergency delivery, the vendor shall make delivery within two (2) hours after notification by the County Department ordering the service. It is hereby understood and agreed that the County Department ordering the service has final authority over what situation is deemed an emergency. If the vendor fails to deliver as specified herein, the County has the right to place the order with a back up vendor, or rent the goods elsewhere, and charge the vendor with re-procurement costs, and any other costs incurred by the County as a direct result of delays or shutdown of job sites due to failure by the awarded vendor to deliver as required.

**2.17.3 Pick-up of items after completion of work**

The County department will notify the vendor (via telephone, fax, or e-mail) that the rental items are no longer required and are ready to be picked-up. The vendor shall pick-up items within twenty-four (24) hours from the County department's request for pick-up. The County will not be responsible for additional rental charges due to the vendor's failure to pick-up the items upon the County department's notification.

Where units delivered are other than what was ordered or where units do not conform to specifications, including flashers that do not flash or other defective equipment, the delivery requirements shall not be considered as met.

**2.18 Back orders shall not be allowed**

The County shall not accept any back orders of deliveries from the vendor. **2.22 Authorization to pick up materials**

Dade County employees are authorized to pick-up materials against purchase orders issued to the successful vendors. Such authorization is provided for the County employee through a written "Authorization to Pick-Up Materials". The authorization should be surrendered to the vendor. Under these circumstances, a County representative will contact the primary vendor to obtain a price quote. If there are multiple vendors on the contract, the County representative may also obtain price quotes from these vendors. The County reserves the right to award these similar, related, ancillary rentals or services to the primary contract vendor, another contract vendor based on the lowest price quote, or to bid the items through a separate solicitation.
