Background/Need to Know: The State of Florida Department of Transportation has adopted the "Manual on Uniform Traffic Control Devices for Streets and Highways" (MUTCD) and subsequent revisions and addendums, as published by the U.S. Department of Transportation, Federal Highway Administration, for mandatory use on the State maintained highway system whenever there exists the need for construction, maintenance operations or utility work.

Potential Issues: _____

▶ **Justification:** Miami-Dade Transit is requesting an increase to their existing allocation for rental of barricades and traffic control devices, to block off and detour traffic around work areas as required on the Airport Extension Project. This additional allocation will also support unforeseen events that could necessitate the inspection of the bridges and guideways of Metrorail and Metromover Systems.
