In accordance with Section 2, Paragraph 2.6 of Contract No. 3143-9/18 (Contract), Miami-Dade County (County) is hereby soliciting price quotes for Transport and Tank Wagon delivery of bulk gasoline and diesel fuels (reference 2.6.1, Group One, Transport and Tank Wagon Deliveries of the Contract). By signing and submitting a price quote herein the pre-qualified Bidder agrees to adhere to the terms and conditions of the Contract and the changes to such terms and conditions provided herein.

INSTRUCTIONS TO BIDDERS

1. The Bidder must submit its **sealed**, written quotation (completed and signed) by the specified time and date indicated to the Internal Services Department, Procurement Management Division, to the attention of the Vendor Assistance Section, at the address indicated on this form. The envelope must state that it is a sealed quote and include the quote number and opening date. **No telephone, fax or e-mail quotes will be accepted.**

The quotation must include this entire ITQ document with attached documentation per "Method of Award" section, "Minimum Requirements" as stated below.

Submit Sealed Quote To:
Miami-Dade County
Internal Services Department, Procurement Management Services
Vendor Assistance Unit
111 NW 1st Street, 13th Floor
Miami, Florida 33128-1983

2. Quotes received after the time and date specified above shall not be accepted.
3. Requests for additional information or clarification must be made via e-mail to the Procurement Officer identified on the front of this form. The County will issue additional information by written addenda via e-mail prior to the scheduled opening date. It is the Bidder's responsibility to ensure receipt of all addenda.

PURPOSE:

The purpose of this Invitation to Quote (ITQ) is to secure price quotes for delivery of un-branded fuel as specified herein for a period starting from award date (anticipated to be mid-April 2014) through May 30, 2015.

METHOD OF AWARD:

This ITQ includes two groups: Group A for gasoline, and Group B for diesel. Award(s) will be made in the aggregate on a group by group basis to the two (2) lowest priced responsive, responsible Bidders who meet or exceed the minimum requirements listed below in this paragraph. While the method of award prescribes the method for determining the lowest responsive, responsible Bidder, the County will award this contract to the designated lowest Bidder as the primary awarded Bidder, and will award this contract to the designated second lowest Bidder as the secondary. If the County exercises this right, the primary awarded Bidder shall have the primary responsibility to initially perform the service or deliver the goods identified in this contract. If the primary

MIAMI-DADE COUNTY

QUOTE NO.: 4-2014

awarded Bidder fails to perform it may be terminated for default and the County shall have the option to seek the awarded goods or services from the secondary Bidder.

Award to multiple Bidders is made for the convenience of the County and does not exempt the primary award Bidder from fulfilling its contractual obligations. Failure of any Bidder to perform in accordance with the terms and conditions of the contract may result in the Bidder being deemed in breach of contract. The County may terminate the contract for default and charge the awarded Bidder re-procurement costs, if applicable.

Minimum Requirements

1. Access to Fuel at Two Ports

The Bidder shall be able to obtain (lift) fuel from at least two other Florida ports other than Port Everglades with either Tampa or Orlando (to fulfill one port) and Cape Canaveral or Jacksonville or any Georgia ports that regularly offers fuel as needed herein (to fulfill the second port).

The Bidder shall provide documentation from any terminal operator, or a company who has a contract with a terminal operator at these ports, to the satisfaction of the County. The proof shall be in the form of documentation from each port or a terminal operator in these port(s) in the Bidder’s name, or Bidder’s supplier’s name. Once awarded, the awarded Bidder shall substantially maintain such access during the term of this contract.

2. Agreement with a Terminal Operator for Un-branded Fuel

The Bidder shall have an agreement or agreements with at least one Terminal Operator at Port Everglades, or with distributor(s) that have agreements with Terminal Operators at Port Everglades for the purchase of the applicable fuel.

The Bidder shall provide evidence of such to the County’s satisfaction that such agreements provides sufficient amounts of fuel to the Bidder to supply the County’s estimated needs.

Note: The County reserves the right to request additional documentation and information related with this ITQ from Bidders during evaluation.

PRICING:

A. Price

The “Differential Per Gallon” for **Net 45 Day** payment is listed below, in accordance with Scope of Services for providing the fuel types and services including delivery of fuel, excluding the “Emergency Fuel Delivery” fees which are provided for in item “C” below. The pricing is stated as a fixed price which includes all supplies and any and all other expenses to be paid for these services under the Contract.

B. Early Payment Discount Price

The Early Payment Discount Price is as follows:

The “Differential Per Gallon” for **Net 15 Day** payment is listed below, in accordance with Scope of Services for providing the fuel types and services including delivery of fuel, excluding the “Emergency Fuel Delivery” fees which are provided for in item “C” below. THE EXECUTION OF THIS FORM CONSTITUTES THE **UNEQUIVOCAL** OFFER OF BIDDER TO BE BOUND BY THE TERMS OF ITS PROPOSAL. FAILURE TO SIGN THIS SOLICITATION WHERE INDICATED ABOVE BY AN AUTHORIZED REPRESENTATIVE SHALL RENDER THE PROPOSAL NON-RESPONSIVE. THE COUNTY MAY, HOWEVER, IN ITS SOLE DISCRETION, ACCEPT ANY PROPOSAL THAT INCLUDES AN EXECUTED DOCUMENT WHICH UNEQUIVOCALLY BINDS THE BIDDER TO THE TERMS OF ITS OFFER.

SECTION 1
TERMS AND CONDITIONS

1. Bidders are advised that this contract is subject to all legal requirements contained in the County's Implementing Order 3-38 and all other applicable County Ordinances and/or State and Federal Statutes. Where conflicts exist between this solicitation and these legal requirements, the higher authority shall prevail.
2. Pursuant to Sections 2-8.1, 2-8.8 and 10.34 of the County Code, for all contracts which involve the expenditure of one hundred thousand dollars (\$100,000) or more, the entity contracting with the County must report to the County the race, gender and ethnic origin of the owners and employees of its first tier subcontractors. **Complete and sign the Subcontractor/Supplier Listing form.**
3. The County may reject any or all quotations, or any portion of the quotation, as it deems in the best interest of the County.
4. In case of default by the awarded Bidder, Miami-Dade County may procure the goods or services from other sources and charge the Bidder, any excess cost or damages occasioned thereby, and debar the awarded Bidder from further County contracts in accordance with the Miami-Dade County Code.
5. It is agreed that items or services quoted shall comply with all Federal, State, and local laws relative thereto, and that the awarded Bidder shall defend actions or claims brought, and save harmless the County from loss, cost or damage by reason of actual or alleged infringements of patents, copyrights, etc.
6. Bidder shall insert unit price as required opposite each item. Unit price shall prevail.
7. This quote form, any addenda, and/or properly executed modifications, the purchase order (if issued), and a change order (if applicable), constitute the entire contract.
8. All products specified herein shall be fully guaranteed by the awarded Bidder. The Bidder at no cost to the County will correct any product defects, which may occur as the result of faulty products. The County does not waive any implied warranties granted under the Uniform Commercial Code or other standard as applicable.
9. All products shall be new and unused.
10. The County may, at its sole discretion, extend the delivery date where the County determines that it is in the best interest of the County.
11. Rejected goods remain the property of the Bidder and all risk of loss remains with the Bidder. Bidder must remove all rejected goods from County property within the timeframe established by the County.
12. The Internal Services Department Director, or designee, shall issue an award under this solicitation. The awarded Bidder shall honor no request for performance until the Director, or designee, has made an award.
13. Any Bidder may protest any recommendation for contract award in accordance with the applicable provisions of the Miami-Dade County Code.
14. Costs of mandatory random audit by the Inspector General are incorporated into this contract as 1/4 of 1% of the contract price, except as noted below.

The Inspector General (IG) fee shall not be deducted by the County from the Bidder's Firm Fixed Service Adder (Differential) price. (Refer to 2.6.1.5.1 of ITB 3143-9/18.)
15. Pursuant to Miami-Dade County Budget Ordinance No. 03-192, this contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). This fee applies to all contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity. The vendor providing goods or services under this contract shall invoice the contract price and shall accept as payment thereof the contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice.

The User Access Program (UAP) fee shall not be deducted by the County from the Bidder's Firm Fixed Service Adder (Differential) price. (Refer to 2.6.1.5.1 of ITB 3143-9/18.)

16. Pursuant to Section 2-2113 of the Code of Miami-Dade County, for all contracts for goods and services, the successful Bidder, prior to hiring to fill each vacancy arising under a County contract shall (1) first notify the South Florida Workforce Investment Board (“SFWIB”), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the County to fill a minimum of fifty percent (50%) of its employment needs under the County contract through the SFWIB. If no suitable candidates can be employed after a Referral Period of three to five days, the successful Bidder is free to fill its vacancies from other sources. Successful Bidders will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until awarded Bidder performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of \$1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less. Registration procedures and additional information regarding the FSHRP are available at <https://iapps.southfloridaworkforce.com/firstsource/>.
17. All out-of-pocket expenses, including employee travel, per diem, and miscellaneous costs and fees, are included in the awarded Bidder’s price, as the County shall not reimburse them separately.
18. All prices are quoted F.O.B. Destination. Freight (i.e., transport costs) shall only be paid by the County pursuant to the “Pricing” section, Paragraph C “Emergency Fuel Delivery” herein. All fuel shall remain property of the awarded Bidder until accepted and signed for by an authorized County representative.
19. Back ordered fuel shall not be invoiced until such backorders are delivered and accepted by an authorized County representative.
20. 2014 Fuel Tax Rates. Miami-Dade County is exempt from all sales and excise taxes (Federal, State, and Local) except those taxes and fees shown in the table below. Tax Exemption Certificate furnished upon request.

SECTION 2
SCOPE OF SERVICES

1. Background

Miami-Dade County uses approximately 25 million gallons of gasoline and diesel fuels each year for its fleet of vehicles and equipment. Fuel is stored and distributed at numerous storage tank facilities located throughout Miami-Dade County (see Attachment A). The intent of this ITQ is to obtain adequate fuel to meet its requirements under normal conditions and continue to obtain fuel on a first priority basis during emergency conditions that may disrupt the availability of fuel in the general area.

The County is seeking to contract with a fuel distributor that shall contract with a terminal operator, for the supply and delivery of fuels to the County.

2. Standards

All fuel shall conform to the latest standards pursuant to the Florida State Department of Agriculture and Consumer Services Division. For fuel with no current standards under the Florida State Department of Agriculture and Consumer Services, the fuel type shall meet all ASTM International standards.

The awarded Bidder shall comply with product and transportation requirements, regulatory mandates, and environmental standards established by the Florida Department of Transportation (FDOT) and the U.S. Environmental Protection Agency (EPA).

3. Fuel Types and Grades Required

The types of fuel that the County anticipates purchasing are listed below. However, the County reserves the right, at its sole discretion, to change this list by either the deletion or addition of fuel types as may become necessary for the County's needs. When a class, type, or category of fuel is to be added, the County shall provide the specifications for the fuel to the awarded Bidder no less than fifteen (15) days in advance of the first request for such fuel.

The types of fuel identified for this ITQ are:

- a) E10 Gasoline, Regular (to test no less than 87 Octane).
- b) E10 Gasoline, Mid-Grade (to test no less than 89 Octane).
- c) E10 Gasoline, Premium (to test no less than 91 Octane).
- d) Diesel Fuel No. 2, Red-Dyed
- e) Diesel Fuel No. 2, Non-Dyed

4. Differential

Firm Fixed Service Adder (Differential): This charge shall be defined as consisting of all charges necessary for the awarded Bidder to fully complete and invoice the business transaction inclusive of delivery, profit, and any other fees, **except for the 2014 Fuel Tax Rates** as detailed in Section 1, Paragraph 20 herein.

The County shall pay the awarded Bidder: 1) the Differential; 2) the applicable taxes/fees (per Section 1, Paragraph 20); and 3) the daily fuel price based on the Oil Price Information Service (OPIS) branded or unbranded (10:00 am) Rack Average Report (as illustrated below) for the day for the appropriate fuel type and

category for Miami, Florida. The County will also pay for the emergency fuel delivery fees in accordance with the "Emergency Fuel Delivery" paragraph in the "Pricing" section. The User Access Program (UAP) and the Inspector General (IG) fees will not be deducted by the County from the Differential.

The following is an illustrative sample of the OPIS report for gasoline and diesel:

The awarded Bidder shall provide the County written notice of any changes within a reasonable time of all available Federal or State credits and discounts available on all fuel types being purchased herein. The awarded Bidder shall apply all applicable credits and discounts to the price charged to the County, and identify and reflect the discount on the applicable invoices.

5. Fuel Delivery Services

- A. The awarded Bidder shall have, or be able to contract with, a fleet of fuel transport trucks capable of accessing (lifting) fuel from Florida and Georgia ports and deliver to the County. The awarded Bidder may use its own resources or use subcontractors to provide the fuel deliveries.
- B. The awarded Bidder shall make deliveries within twenty-four (24) hours of the order or as directed by the County. All deliveries shall be made in accordance with good commercial practice, and within the specified operating hours of the applicable facilities, including fuel deliveries on Saturday and Sunday. In cases where the delivery will be delayed due to force majeure, strikes, or other causes beyond the control of the awarded Bidder, the Awarded Bidder shall notify the County's authorized representative (at the applicable facility) of the delays, in advance of the delivery time, so that a revised delivery schedule can be arranged with the County's authorized representative at the applicable facility.
- C. The awarded Bidder shall provide reliable fuel delivery by using transport truck (fuel amounts in excess of 5,000 gallons) and tank wagon (fuel amounts of 5,000 gallons or less) deliveries. The County anticipates that the majority of its fuel orders shall be delivered using transport truck deliveries. All tank wagon trucks shall be outfitted with the appropriate meters and measuring equipment for fuel delivery. Transport truck deliveries shall be accompanied by the Bill of Lading from the fuel terminal.

- D. All fuels loaded for deliveries shall be temperature adjusted to 60° F or in accordance with the latest edition of the ASTM International applicable standards for Petroleum Measurement Tables. The awarded Bidder shall invoice based on the net gallons of fuel delivered after temperature compensation. The County reserves the right to reconcile any deviation of fuel delivered by using the County's electronic tank gauging system (e.g., Veeder Root).
- E. All fuel shall be quoted and delivered F.O.B. destination to the locations provided in Attachment A. Awarded Bidder shall hold title to the goods until such time as they are delivered. Fuel price shall include all costs of transporting, delivery, and unloading to the locations provided, except for Emergency Fuel Delivery as described in the Pricing Section above. An authorized County representative must accept fuel deliveries and sign the delivery ticket. A copy of the signed delivery ticket shall be submitted with the invoice.
- F. The awarded Bidder may be required to deliver a split load of transport truck delivery to two County facilities, at no additional cost to the County.

6. Truck Certification

Fuel delivery shall be in trucks equipped with a sealed State of Florida approved and inspected meter or that have State of Florida Department of Agriculture and Consumer Services sealed, calibrated, and certified compartment tank volume markers for the petroleum product being delivered.

7. Addition or Deletion of Facilities

A list of County facilities/locations are listed in Attachment A. The County, at its sole discretion, may add or delete facilities or service for any facility. When the need arises, the County will add or delete facilities to Attachment A and notify the awarded Bidder in writing.

8. Emergency Contingency Plan

The awarded Bidder shall, at all times, have an Emergency Contingency Plan that guarantees the County a continuous supply of fuel before, during, and after an emergency, as determined solely by the County. During emergencies the County has historically experienced an increase in its normal fuel purchases of about 40%-60% for a period of time depending on the nature of the emergency. The awarded Bidder shall provide the fuel at existing contract prices. If the need arises, the County will reimburse the awarded Bidder for fuel delivered from ports or terminals other than Port Everglades, with prior written approval from the County, per the Pricing section herein.

9. Fuel Spills

- A. The awarded Bidder shall be fully responsible for any and all actions of their employee's, including those that require abatement or clean up as result of an "improper" delivery. The awarded Bidder shall have and shall maintain those types and quantities of materials necessary to contain a fuel spill.
- B. The awarded Bidder shall promptly and thoroughly cleanup all fuel spills, pursuant to federal, state, and local regulations and shall pay for any environmental remediation and any agency fines or fees that result from the fuel spill.
- C. Discovery or occurrence of a fuel spill, on overfill, excess water in the tank, suspected contamination of surrounding area, suspected tank failure, or any indication of chemical release shall be immediately reported by the awarded Bidder to the County. When the event is directly or indirectly the result of the awarded Bidder's actions, the awarded Bidder shall also effect containment and initiate cleanup immediately.

10. Accident Prevention and Barricades

The awarded Bidder shall exercise precautions at all times for the protection of persons and property. The awarded Bidder during the provision of services shall conform to all relevant Federal, State and County regulations. Any fines levied by the above-mentioned authorities for failure to comply with these requirements shall be borne solely by the awarded Bidder. The awarded Bidder shall provide barricades when fuel delivery is performed in areas traversed by persons, or when deemed necessary by an authorized County representative.

11. Compliance with Federal Standards

The handling and delivery of all fuel during the provision of services shall be in accordance with all governmental standards, to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), the National Fire Protection Association (NFPA), and the EPA.

12. Compliance with the Florida Occupational Safety and Health Act

The awarded Bidder shall comply with all requirements of Chapter 442 of the Florida Statutes regarding Material Safety Data Sheets (MSDS).

13. Reporting Requirements

The awarded Bidder shall submit to the County a Fuel Purchasing Report on a monthly basis. The Fuel Purchasing Report shall include fuel volume totals by fuel type for each department by delivery address. The report shall also include a "Grand Total" fuel volume for all County departments for each fuel type. The required fields are the following:

- Reporting Period (specify month)
- Department
- Delivery Address
- Delivery Volume (do not round off reported volume amounts, allow volumes to be reported up to as many decimal places as needed)
- Subtotal Volume (per fuel type for all delivery addresses per department)
- Grand Total Volume for Each Fuel Type (all addresses and all departments)
- Note regarding fuel types: report must specify the ethanol and biodiesel blend being delivered

The Fuel Purchasing Report shall be sent in electronic format (Excel format preferred, sample available upon request) via email to: Susannah Troner, Office of Sustainability (trones@miamidade.gov) and Manuel (Rick) Garcia, Division of Environmental Resources Management (GarcMa@miamidade.gov).

14. Cities and Agencies

Cities and agencies that have accessed this contract include, but are not limited, to the following:

- City of Miami
- City of Miami Beach
- City of Miami Springs
- City of North Miami
- City of South Miami
- Miami Shores Village
- Village of Biscayne Park
- City of Sunny Isles
- Barry University
- Jackson Hospital

SUBCONTRACTOR/SUPPLIER LISTING
