Group A – Purchase of Playground Equipment and Playground Equipment Parts

The County will purchase under Group A new playground equipment as well as repair parts for playground equipment. When purchasing items from vendors awarded under Group A the list price from the catalog submitted and the identified discount listed under Section 4 Group A shall prevail.

Award of this group will be made to the vendor(s) offering the highest discount from catalog list price or each manufacturer listed under Section 4 Group A of this solicitation.

#### Group B – Miscellaneous Park Equipment

The County will purchase under Group B miscellaneous park equipment such as benches, tiki huts, barbeques, etc.

Bidder(s) shall be an authorized manufacturer representative. Bidder(s) shall include with the bid a letter on the manufacturer letterhead, dated within the last twelve months. The letter shall state that the bidder is an authorized distributor of the manufacturer's product. A copy of the latest catalog for each manufacturer listed should accompany the bid.

#### Group C – Installation and Infrastructure Services

Bidders(s) must provide a letter on manufacturer letterhead stating that either their firm or their listed subcontractor is authorized to do installations of playground and parks equipment for each manufacturer listed under Section 4, Group A & B of this solicitation.

Bidder(s) offering infrastructure services must be a licensed general contractor in Miami Dade County to obtain permits for such work. A copy of the license as well as the manufacturer's approval on letterhead shall accompany the bid.

The letter shall state that the vendor is approved to perform infrastructure for their company.

Bidder(s) shall be deemed to be pre-qualified to participate in subsequent spot market purchases as required by the County on either an as-needed or on a periodic basis for Groups B, and C.\* When such spot market purchases are initiated; all pre-qualified vendors shall be invited to offer a fixed price for a specific individual purchase. The vendor then offering the lowest fixed price shall be awarded the specific purchase. The award to one vendor for a specific purchase does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

Not All Manufacturers will let the distributor install their products. Assure that the Manufacturer has approved the dealer for installation and that the manufacturer appears in that vendors' Group C-listing (installation & Infrastructure Services). Quote an only vendor who's Manufacturers are represented under their groups:

Vendors can be added to the contract after meeting the solicitations' criteria.
