

SECTION 3
TECHNICAL SPECIFICATIONS

3.1 EQUIPMENT & VEHICLE SPECIFICATIONS:

The vehicles shall not be any older than two model years from the most recent model available as described in Section 2.0 Paragraph 2.25. The vehicles shall have low mileage, neat and clean in appearance, and in good operating conditions, complete with air-conditioning, automatic transmission, radio, power brakes, and power steering. Participating County Departments will seek rental quotes for different classes of vehicle/equipment as follows:

- A. Gasoline powered Box Vans: 15, 18, 20, 24 ft., with side and rear doors, with and without power tailgate, as required.
- B. Diesel Power Dry Vans: 15, 18, 20, 24 ft., with side and rear doors, with and without power tailgate, as required.
- C. Refrigerated Vans: 15, 18, 20, 24 ft., with side and rear doors, with and without power tailgate, as required.
- D. Refrigerated Trucks: 14, 16, 18, 20, 24, 26 ft., with side and rear doors, with and without power tailgate, as required.
- E. Parcel Vans: 12, 14, 16, 18, 20 foot lengths.
- F. Stake Body Trucks: 15, 18, 20, 24 foot lengths with or without power tailgate, as required.
- G. Small Capacity Buses in 15, 20, 25, and 30 passenger configurations.
- H. Pickup Trucks in ½ Ton, ¾ Ton, and One Tone capacity with or without power tailgate, as required.
- I. Utility Type Vehicles in two or four wheel drive.
(Similar to Explorer, Expedition and Escape).
- J. Storage Equipment: 20-foot containers and 40-foot trailers complete with delivery and pickup costs.
- K. Any other vehicle, storage trailer or refrigerated trailer listed in your inventory.
(Furnish under Section 4.0 a complete listing of all equipment available).
