

AWARD SHEET SUPPLEMENT

BID NO. 6417-0/17 Emergency Debris Removal, Prequalification of Contractors

**I. Purchasing Instructions**

A. Award Description

This contract is for the loading, hauling and disposal of debris resulting from a declared emergency.

B. Quotation Directives

- 1) **Contract Instructions (Re: ITB Paragraph 2.6)**  
When spot market purchases are initiated, the pre-qualified bidders shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. The bidder offering the lowest fixed price shall be awarded for the specific period or specific purchase. The award to one or more bidders for a specific period to load, haul and dispose of debris does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.
- 2) ALL quotations issued under this pre-qualification contract must utilize the current and active “terms and conditions” in place that includes the latest legislative changes. Please refer the Procurement Management ink <http://www.miamidade.gov/procurement/itb-terms-conditions.asp> to retrieve that latest version of the current T&Cs.
- 3) All quotations issued must be provided to the Small Business Development Division (SBD) of the Internal Services Department for placement on the Cone of Silence Report upon advertisement. Once an award recommendation is made, SBD must be notified in order to remove the competition from the report.
