In order to see the brands offered by each vendor, please see the Roadmap Supplement which is divided by Groups. Each Group can be found on a separate worksheet within the same document.

Spot Market Quotations

Bidders meeting these minimum requirements shall then be deemed to be pre-qualified to participate in subsequent spot market purchases as required by the County on either an as needed or on a periodic basis. When such spot market purchases are initiated, the prequalified vendors shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period by the user department(s). The vendor then offering the lowest fixed price and meeting all requirements, as specified in the spot market quotation, shall be awarded that spot market quotation. The award to one vendor for a specific individual action or period does not preclude the remaining pre-qualified vendors from submitting spot market offers for other purchases.

When such spot market purchases are initiated, the pre-qualified vendors for the affected manufacturer line / brand name per group shall be invited to offer a fixed price and a firm delivery time for a specific individual purchase, or a specific purchasing period. It will be the County department’s prerogative to contact all the pre-qualified bidders in the affected manufacturer line / brand name of the product to request a quotation or use a rotating system to request quotations from a number of pre-qualified bidders. In general, written spot market quotes will be gathered from at least four (4) vendors whenever possible. The pre-qualified bidder offering the lowest fixed price shall be awarded the order, provided

Title: Welding Equipment, Supplies and Accessories

that the products proposed by the pre-qualified bidder meet the specifications and requirements. The award of the order to one bidder does not preclude the ability of the remaining pre-qualified bidders from submitting offers for other orders as requested by County departments.
