

AWARD SHEET SUPPLEMENT

BID NO. 6969-0/14: PREQUALIFICATION OF BIDDERS FOR WELL DRILLING SERVICES (MONITORING WELLS)

I. Purchasing Instructions

A. Award Description

Awarded bidders have been pre-qualified to participate in spot market purchases.

B. Quotation Directives

1) Contract Instructions (Re: ITB Paragraph 2.6.4)

When such spot market purchases are initiated, the pre-qualified vendors shall be invited to offer a fixed price and a firm delivery time (i.e., time for completion) for the specific project. The vendor offering the lowest fixed price shall be awarded that specific project. In the best interest of the County, the delivery time may be utilized as a deciding factor for the basis of an award when it is determined by a County department that a project is time sensitive to meet pre-established deadlines or it is an emergency situation. The award to one vendor for an individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other projects.

2) The Request for Quotation (RFQ) should include, at a minimum, language advising prequalified bidders that their bids should take account of all labor, supervision, material and equipment, permits, and any other items or incidentals. In addition, the RFQ should include any needed drawings, plans and will notify vendors, if applicable, of the following: pre-quotation conference or site visit, bid bond, performance security, liquidated damages, if the work is to be performed at night or on weekends, work completion deadline, method of award, the type of payment, time frames, the date for return of responses to the County of the RFQ, applicable Responsible Wages, Community Workforce Program (CWP), Logging/Videotaping of Well requirements, as well as any additional requirements.

3) Cone of Silence

Pursuant to Section 2-11.1(t) of the County Code, all RFQ's are subject to the Cone of Silence.

4) Bid and Local Preferences (Re: ITB Paragraphs 1.10 and 2.2.1)

There is no Bid Preference for this Contract. Local Preference will be considered when evaluating the offered prices. As such, Contract Users must review and take into consideration the vendors' ability to claim Local Preference when evaluating the quotations and Best and Final Offers (BAFO's) need be requested all in accordance with the Local Preference legislation.

5) CWP (Re: ITB Paragraph 2.2.2)

If the time for completion of an RFQ issued under this contract is greater than 30 days, it is subject to a CWP goal. As such, each RFQ greater than 30 days will be required to be presented to SBD for the application of a CWP goal.
