II. QUOTATION PROCEDURES

The specifications and/or statement of work will be detailed on the Request for Quotations (RFQ) for each specific project, and will outline the various functions, type of work, equipment, parts and components, required as necessary for the completion of the project. Any omissions of inherent technical specifications shall not relieve the vendor(s) from performing the work awarded to satisfactorily complete the project. As applicable, the vendor(s) shall be responsible for manufacturing, installing, repairing, retrofitting, servicing, and/or the provision of the specified electrical control panels, controllers, variable frequency drives, parts, components and accessories described in the RFQ.

1. Measures

Per Sect. 2 Para. 2.2 of the solicitation, the Small Business Enterprise (SBE) 10% bid preference shall apply to all quotations.

2. Insurance

Per Sect. 2 Para. 2.11 of the solicitation, all required insurance coverage must be in effect at the time of award through completion of work.

3. Certificates/Licenses

Per Sect. 2, Para 2.6(A)(5) of the solicitation, any vendor submitting an offer in response to a quotation under Group A shall, at the time of such offer, hold a valid State of Florida Electrical Contractor License or Miami-Dade County Electrical Contractor Certificate of Competency.
