

AWARD SHEET SUPPLEMENT

7605-1/22; PREQUALIFICATION OF BIDDERS FOR THE PURCHASE OF GAS AND VAPOR VALVES,
INCLUDING PARTS AND SERVICES

I. Purchasing Instructions

A. Award Description

Awarded bidders have been pre-qualified to participate in spot market purchases.

B. Quotation Directives

1) Contract Instructions (Re: ITB Paragraph 2.6.5.1)

When a spot market purchase is initiated, prequalified bidders will be invited to offer pricing through an Invitation to Quote (ITQ). ITQs will include requirements specific to the spot-market purchase. ITQs may be awarded in the aggregate, per-group, or in a per-item basis. ITQs may be issued for immediate deliveries, or to establish pricing for items that may be ordered within a specified time period.

2) Cone of Silence

Pursuant to Section 2-11.1(t) of the County Code, all ITQ's are subject to the Cone of Silence.

3) Bid Preference (Re: ITB Paragraph and 2.2)

A 10% (ten percent) bid preference for certified Micro Business Enterprises shall apply to awards valued up to \$50,000. A 10% (ten percent) bid preference for certified Small Business Enterprises shall apply to awards valued at over \$50,000 up to \$1 million. A 5% (five percent) bid preference for certified Small Business Enterprises shall apply to awards greater than \$1 million. Micro Business Enterprises and Small Business Enterprises must be certified by the Sustainability, Planning and Economic Enhancement Department, Small Business Development Division for the type of goods and/or services the enterprise provides in accordance with the applicable commodity code for this solicitation (815). For certification information, contact the Department of Sustainability, Planning and Economic Enhancement at 305-375-CERT (2378) or at <http://www.miamidade.gov/sba/business-certificate.asp>. The enterprises must be certified by the ITQ submission deadline, at ITQ award and throughout its completion to be eligible for the preference.

4) Local Preference (Re: ITB Paragraph 1.10)

The evaluation of ITQs is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. A business must be local (as defined by Code) and affirm its compliance to local business requirements in writing to be eligible for the preference. When there is a responsive quote from a Miami-Dade local business within 10% of the lowest price submitted by a responsive non-local business, the local business and the non-local low bidder shall have the opportunity to submit a best and final bid equal to or lower than the amount of the low bid previously submitted by the non-local business.

AWARD SHEET SUPPLEMENT

7605-1/22; PREQUALIFICATION OF BIDDERS FOR THE PURCHASE OF GAS AND VAPOR VALVES, INCLUDING PARTS AND SERVICES

5) Emergencies (Re: Paragraph 2.6.5.2)

In the best interest of the County, a prequalified bidder's willingness and ability to expedite a purchase may be used as a deciding factor for the basis of an award when a project is time sensitive, or it is an emergency situation. This provision does not preclude competition within the contract. Whenever possible, user departments will obtain guidance from the Internal Services Department Procurement Management Division prior to placing an order under this provision.

6) Pre-Invitation to Quote Conferences (Re: Paragraph 2.3)

Pre-Invitation to Quote (ITQ) conferences may be part of the ITQs. During the course of these conferences the "Cone of Silence" will be lifted and informal communication could take place. Representatives from the County user departments, the Internal Services Department Procurement Management Division, and the Sustainability, Planning and Economic Enhancement Department, Small Business Development Division may be in attendance to answer questions related to the ITQ. Attendance to pre-ITQ conferences will be recommended or mandatory, as indicated in the ITQ. If attendance to a pre-ITQ conference is recommended, the County advises that a bidder's representative should attend. If attendance to a pre-ITQ conference is mandatory, a bidder's representative must attend in order to qualify the bidder to submit an offer in response to the ITQ, and any offer submitted by a bidder who did not attend a mandatory pre-ITQ conference will not be accepted. Pre-ITQ conferences are public meetings and multiple members of individual community councils may be present.

II. Items Awarded

GROUP 1						
PREQUALIFICATION OF BIDDERS FOR THE PURCHASE OF VAPOR AND GAS VALVES, AND PARTS, ACCESSORIES, AND SUPPLIES FOR VAPOR AND GAS VALVES
