**SECTION #8 – ADDITIONAL NOTES**

If you are going to post the result of a winning or losing trade please make sure that you have posted the entry as close to entering the trade as you can. Preferably you should post your entry prior to entering the trade. If you cannot do this please at least explain what your thinking was on the trade - why you entered it - what you were looking at - pretty much as much as you can elaborate about why you did what you did would help.
