7. Section 3, Paragraph 3.13, (A) is revised to read as follows:

3.13 SERVICE CALL CANCELLATION

- A. The County reserves the right to cancel a request for services at any time, including up to the time just prior to hook-up, without any charge. The Vendor agrees that the mere response to a service call including arrival at the scene, without other action, does not constitute a service call where charges are applicable.
