This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Department of Procurement Management, Purchasing Division; and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the one (1) year period.

**2.5 OPTION TO RENEW FOR TWO (2) ADDITIONAL YEAR(S) (With Price Adjustment:**

The initial contract prices resultant from this solicitation shall prevail for a one (1) year(s) period from the contract's initial effective date. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional two (2) year(s) period on a year-to-year basis. Prior to completion of each exercised contract term, the County may consider an adjustment to price based on a Manufacturer's Price Increase (Manufacturer's letter indicating price increase to be supplied in Renewal Year only).

**SECTION 2**  
**SPECIAL CONDITIONS**

It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's request for adjustment should be submitted 90 days prior to expiration of the then current contract term. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. **NOTE: IF MULTIPLE VENDORS ARE INVOLVED UNDER THE GIVEN CONTRACT, ANY OPTIONS TO RENEW WILL BE RESTRICTED TO THE SPECIFIC ITEMS OF WORK INITIALLY AWARDED TO ANY SPECIFIC VENDOR.**

**2.6 METHOD OF AWARD: To two (2) Vendors By Group**

Award of this contract will be made up to the lowest priced two (2) responsive, responsible vendors on a group-by-group basis. The County will then select the vendors for award for each group by totaling either the unit prices for all of the items within each group, or if so structured, by totaling the extended pricing for each item within each group. If a vendor fails to submit an offer for all items within the group, its offer for that specific group will be rejected.

While the award will be made to multiple vendors by group to assure availability, the County intends to use the lowest priced vendor to meet its requirements or to use other sources as appropriate and in the County's best interest. Award to multiple vendors is made for the convenience of the County and does not exempt the primary vendor from fulfilling its contractual obligations. Failure to perform as noted may result in the vendor being deemed in breach of contract. The County may terminate the contract for default and charge the vendor re-procurement costs, if applicable.

**2.7 PRICES SHALL BE FIXED WITH ADJUSTMENTS ALLOWED:**

The revised published price lists or manufacturer's notification shall be submitted to the County's Department of Procurement Management for review.

It shall be further understood that the County reserves the right to reject any price adjustments submitted by the vendor, and/or to terminate the contract with the vendor based on such price adjustments.

X : Product Information Sheets

If an “equal” product may be considered by the County in accordance with the Bid/Proposal Submission Form, the unit shall be equal in quality and standards of performance to the item specified in the solicitation. Where an “or equal” item is offered, and product information sheets are required, the initial offer must be accompanied with two (2) complete sets of product information sheets (such as factory specifications, standard manufacturer information sheets, catalogues, and brochures), and if required, two (2) copies of performance test results of the unit offered as an equal.. Also for product information submittals, all supporting documentation submitted by the offeror must in total meet the required specifications set forth in this solicitation. Where the standard product literature submitted with the offer provides information that does not comply with the specifications, the offeror shall state, in an official letter on corporate letterhead as part of their initial offer, the differences between the item they are specifically offering, and the equipment described by the standard product literature, to substantiate compliance to all of the specifications set forth in this solicitation. In such cases, any offer submitted with standard product literature but without the letter explaining compliance will result in the rejection of the offer for not meeting the solicitation specifications.
