II. QUOTATION PROCEDURES (Re: ITB Paragraph 2.6.3.1)

When a spot market purchase is initiated, pre-qualified bidders shall be invited to offer a fixed price for a specific individual purchase. The pre-qualified bidder offering the lowest fixed price on the total amount of the order shall be awarded the order, provided that the offer made by the pre-qualified bidder meets the order's specifications and requirements. The award of the order to one bidder does not preclude the ability of the remaining pre-qualified bidders from submitting offers for other orders as requested by County departments.

III. EMERGENCY DELIVERIES (Re: ITB Paragraph 2.6.3.2)

In the best interest of the County, a pre-qualified bidder's willingness and ability to expedite a purchase may be used as a deciding factor for the basis of an award when a project is time sensitive, or it is an emergency situation. This provision does not preclude competition within the contract. Whenever possible, user departments will obtain guidance from the Department of Procurement Management prior to placing an order under this provision.

IV. BID AND LOCAL PREFERENCES

Bid Preference and Local Preference will be considered when evaluating the offered prices. The Bid Preference shall be applied to the offers received from certified Micro/SBE bidders. The resulting Micro/SBE bidders' evaluation prices shall then be compared to the other offers to determine if Best and Final Offers (BAFO's) need be requested in accordance with the Local Preference legislation.

V. ITEMS AWARDED

To facilitate the quotation process, the pre-qualified vendors have been categorized according to the type of landscaping or gardening materials they identified in their submittal. Departments should seek quotes from as many vendors as possible; the availability of products may be greater than shown on this chart.
