

ROAD MAP

BID NO. 9535-1/21 Tools & Accessories Pre-qualification

I. Purchasing Instructions

A. Award Description

Awarded vendors have been pre-qualified to participate in spot market competitions.

B. Quotation Directives

- **Each quotation must be open and COMPETITIVE.**
- Quotes may be issued for immediate deliveries, or to establish pricing for items that may be ordered within a specified time period.
- Quotes may be awarded in the aggregate, per-group, or in a per-item basis.
- Bid tabulations **MUST** be provided to vendors upon request, prior to award.
- All quotations are subject to the Cone of Silence. Per section 2-11.1(t) of the County code.
- Local and Disabled Veteran Preferences are not applicable if the lowest priced vendor is a certified SBE or Micro/SBE.

Orders over \$500

Invitations to Quote (ITQ) need to be sent to all pre-qualified vendors, or to pre-qualified vendors authorized to sell a specific brand.

- Whenever possible, user departments should provide opportunities to bid “equal product(s)”. If an “equal” product is considered by the County in accordance with the quotation request, the County shall be sole judge of “product equality” and its decision in this regard shall be final. Departments may only accept products from vendors who bid the authorized manufacturer brand(s) as indicated in the attachment entitled “**9535-1/21 Road Map Table.xlsx**”.
- If the purchase of a specific brand is imperative, user departments may restrict the ITQ to the vendors representing that specific brand. When the ITQ is limited to pre-qualified vendors for a specific brand, the user department will document the reason for this action in the quotation file.

Orders under \$500

User departments may elect to place the order from the vendor offering the highest percentage discount for the manufacturer/brand needed. Please see the file entitled “**9535-1/21 Road Map Table.xlsx**”.

Emergency Orders

A pre-qualified vendor’s willingness and ability to expedite a purchase may be used as a deciding factor for the basis of an award when **a project is time sensitive, or it is an emergency situation**. This provision does not preclude competition within the contract. Whenever possible, user departments will obtain guidance from the Internal Services Department, Procurement Management Services Division prior to placing an order under this provision.

PREFERENCES (Re: ITB Paragraphs 1.10, 2.2 and 2.25) except for federally funded entities.
