TEMPORARY DEBRIS STAGING AND REDUCTION SITES PRE-QUALIFICATION

**I. Purchasing Instructions**

**A. Award Description**

Vendors are deemed prequalified to participate in future pricing competition for the launching, operation, maintenance and closure of a temporary debris staging and reduction site(s) (TDSRS) to include all the necessary labor, materials, equipment, supplies and associated activities resulting from a declared emergency. The award to one vendor for a specific period or individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

**B. Quotation Directives**

- 1). ALL quotations issued under this pre-qualification contract must utilize the current and active “terms and conditions” in place that includes the latest legislative changes. Please refer the Procurement Management link (<http://www.miamidade.gov/procurement/itb-terms-conditions.asp>) to retrieve that latest version of the current T&Cs.
  
- 3) All quotations issued must be provided to the Small Business Development Division (SBD) of the Internal Services Department for placement on the Cone of Silence Report upon advertisement. Once an award recommendation is made, SBD must be notified in order to remove the competition from the report.

**First Source Hiring Referral Program (“FSHRP”)**

Pursuant to Section 2-2113 of the Code of Miami-Dade County, for all contracts for goods and services, the successful Bidder, prior to hiring to fill each vacancy arising under a County contract shall (1) first notify the South Florida Workforce Investment Board (“SFWIB”), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the County to fill a minimum of fifty percent (50%) of its employment needs under the County contract through the SFWIB. If no suitable candidates can be employed after a Referral Period of three to five days, the successful Bidder is free to fill its vacancies from other sources. Successful Bidders will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of \$1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less. Registration procedures and additional information regarding the FSHRP are available at <https://iapps.southfloridaworkforce.com/firstsource/>.
