**Request for Price Quotation (RPQ) No. 20140121 (MCC 7040 Plan)**  
Drainage Improvements Project – Multiple Sites

Dear Mr. Gonzalez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, September 3, 2014. The total RPQ amount is for eight hundred ninety-nine thousand eight hundred ten dollars and seventy-seven cents (\$899,810.77). This includes a base contract amount of seven hundred seventy-eight thousand eight hundred forty-eight dollars and ninety cents (\$778,848.90), a contingency amount of seventy-seven thousand eight hundred eighty-four dollars and eighty-nine cents (\$77,884.89), and dedicated allowances totaling forty-three thousand seventy-six dollars and ninety-eight cents (\$43,076.98). The contract duration is established as **270-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within the Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

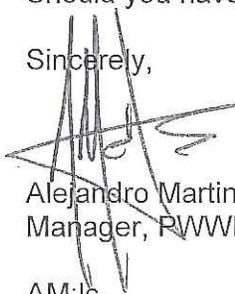

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until a purchase order for this RPQ has been approved and issued, and a Notice to Proceed has been executed.

Should you have any questions, please contact me at (305) 375-2930.

Sincerely,

Alejandro Martinez-Esteve, RA, LEED AP
