This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Monday, June 30, 2014. The total RPQ amount is \$199,480.00, which includes your base bid amount of \$176,800.00, a Contingency amount of \$17,680.00 and Dedicated amount of \$5,000.00. The contract duration is established as 120 calendar days. However, the award is contingent upon verification that your insurance, as required by the RPQ, is current, your license is in an active status with the issuing agency and the submission of the additional required items listed below (if applicable).

The preceding Documents are required as outlined within the MCC 7040 Plan and to be submitted within 3 business days of receipt of this letter. In case additional insurance is required, it also must be submitted within 3 business days to Park and Recreation Department. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned Documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).
